

July 2023 NEWSLETTER

Kittitas County Health Network is excited to be sharing Network news with you every month along with partner events and programs throughout our community.

Look for upcoming editions of the KCHN Newsletter in your inbox each month.

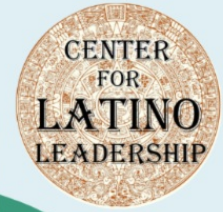

Thank you to all of our community partners who joined us at the KCHN Annual Meeting hosted at CWU as we gathered for a Board of Directors meeting, a mini Safe Space training, project highlights from the year, KCHN annual awards, a Greater Health Now presentation, and Community Health Improvement Plan activities led by the Kittitas County Public Health Department with great discussions focused on making Kittitas County healthier for all.

KCHN Accepting School Supplies Throughout July

Thank you KVH!

Thank You

The Kittitas County Health Network Childcare Work Group would like to express our gratitude to our trusted partners at Kittitas Valley Healthcare for helping to bring back fingerprinting services to Kittitas County.

Without these services, which are available at KVH Workplace Health, childcare facilities in our community faced difficulty recruiting early childhood education staff members. Thank you KVH for helping to improve access to quality childcare for all Kittitas County families.

Thank you Kittitas County!

THANK YOU!

The Kittitas County Health Network Childcare Work Group would like to express our gratitude for the incredible work that the Kittitas County Community Development Services did to help sponsor county zone changes for childcare facilities. The sponsorship of these amendments and support from the Kittitas County Board of County Commissions has greatly increased the options of where childcare can be implemented which has positively impacted the expansion efforts to serve all Kittitas County families seeking quality and affordable childcare.

FISH's Picnic in the Park

is off and running at 9 Kittitas County locations!

This year's program includes nine sites in Kittitas County. FISH was able to secure a waiver to allow us to better serve the kids of Easton and Roslyn with a weekly pick-up but our Cle Elum, Ellensburg and Kittitas sites will be five days a week so that children can enjoy outdoor time and access to a nutritious meal right in their neighborhood while making friends and building community.

KCHN Team Highlight

Meet KCHN Safe Space Coordinator, Sarah Foy!

Sarah was born and raised right

here in the Kittitas Valley. She graduated from Central Washington University where she double majored in Family Studies and Psychology and minored in American Sign Language. She plans on pursuing her education further by diving into the logistics of Family Law. Sarah remains deeply ingrained within the community she grew up in and is committed to helping others in any way she can. In her spare time, she enjoys road trips with friends and family, gardening, and exploring new places.
