Welcome, Parents & Students!

Dear Parents & Guardians,

On behalf of Lincoln University and the Office of Student Engagement, we would like to thank you for supporting your child's participation in the Little Mister & Miss Juneteenth Pageant.

This event is designed to uplift our young participants, encourage self-confidence, and create lasting memories for both children and families.

We are truly grateful for your partnership and the time, preparation, and care you've dedicated to helping your child shine. Your support plays a vital role in making this experience meaningful and memorable.

We look forward to seeing you at the pageant and celebrating the wonderful talents, achievements, and personalities of our participants. Thank you for helping make this event a special and impactful tradition in our community.

Sincerely,
