THEATRE STUDY @ THE FORT

When you join the FLC theatre community, you are joining a family of diverse, supportive, accepting, and creative individuals.

With a low student-to-teacher ratio (avg. 8-10), students will not only be instructed in all the facets of performance and design, but "mentored."

BFA CURRICULUM IN A BA PROGRAM

Our NEW Musical Theatre Program, as well as our Performance Emphasis, features specialized courses usually found in BFA programs. We feel these courses only enhance the training, while still offering the flexibility and well-roundedness of a BA program.

FACULTY & GUEST ARTISTS

The FLC Theatre faculty is comprised of working theatre professionals, and the program hosts guest artists from every facet of the entertainment industry each semester.

STUDENT LIFE AT FLC

Fort Lewis College offers its students the opportunity to study the craft of theatre in one of the most beautiful areas of the U.S. At FLC, we encourage our students to experience all of the outdoor adventures the area has to offer- kayaking, skiing, rock and ice climbing, cycling, mountain biking, and over 300 miles of hiking trails.

FLC is also proud of its small student-to-teacher ratio, large number of student organizations, and diversity of its campus community. Over 50% of the FLC student population is comprised of people of color, including over 45% identifying as Native American and Alaskan Native.
