Happy New Year!

COVID UPDATE

In response to the growing infection rate of COVID-19 the session recommends the following as you prepare to attend in-person worship at First Presbytery Church.

- If the vaccine is available to you please get it
- If you are not vaccinated please wear a mask
- Consult the most recent CDC guidelines for gathering in public Spaces—particularly the recommendation for those in areas of High transmission (vaccinated or not) to wear a mask.

As we have all learned throughout this pandemic, our individual responses to this virus are varied.

The session will respect the choices you make as we all seek to care for ourselves and one another. If you have any questions please call our church office.
