PRESIDENT'S MESSAGE

Whew! Finally some cooler weather. Let's hope Fall sticks around for a while. We would have loved for it to be here while we hosted the club from Tallahassee, but alas it was hot the whole time. Despite that, it was a great journey and by all accounts our ambassadors had a wonderful time. Thanks to Mike Rakouskas, Host Coordinator, and his entire team who put on a successful journey. So many were involved that I dare not name names for fear of leaving someone out. We had people who helped plan the itinerary and publish our booklet, welcome and farewell party hosts, home and day hosts, regional dinner coordinator and hosts, and members who turned out for the Farewell Party. Our appreciation is extended to all.

We held a retreat with the Board of Directors on October 1 at Waltonwood Lake Boone. Thanks to Molly for planning the logistics and lunch, Doyle and Carol for being our resident Waltonwood hosts, and board members who attended – all but two were able to be there. There was a lot of good discussion about the viability of our club, how we could move forward, and which responsibilities each person was willing to take on.

As you are aware, we do not have a president for the coming year. This is not unique to our club, and there are various ways to handle it. We decided to divvy up the responsibilities for running the club, and each person or committee will be responsible to see that their part is done. We believe that we will have a successful year ahead.

Soon, you will receive a questionnaire asking how you would like to participate. We have committees that need worker bees, and every inbound and outbound journey needs lots of people to help. Especially important are the various parts and pieces we have to put together when we host another club. As you read in the first paragraph, it

is so much easier when lots of members pitch in to help. The added benefit is that we get to know each other better and it makes membership much more fun.

Speaking of journeys, there is still time to join the journey to New Zealand and Australia that departs mid-March 2020. Donna Steele, the Ambassador Coordinator, is learning more about the activities you will do there, and it all sounds interesting and fun. Soon the journey will be advertised to all Friendship Force International Clubs, so reserve your space now if you'd like to go. It promises to be an outstanding trip. After all, our purpose is to develop cultural understanding worldwide. This will be an easy step to take toward that end.

WELCOMING THE AMBASSADORS FROM TALLAHASSEE, FL

We were pleased to have nine Ambassadors from the Tallahassee Friendship Force Club visit our area September 24-29. A big thank you to all our members who participated in this incoming Journey and in particular to the Home Hosts, Day Hosts and Regional Dinner Hosts for all of their help in making the visit such a success. A special thank you to Elaine Rakouskas for hosting the Welcome dinner and to Pat DeBoer and Molly Kiefer for hosting the Farewell Dinner.

During the visit the Ambassadors had a Raleigh Trolley tour of downtown Raleigh and visited many highlights of the Raleigh and Durham area. Included in the week's tour were the Governor's Mansion, the NC Museum of Art, the Holy Name of Jesus Cathedral, NC State University Hunt Library, the North Carolina History Museum, Bennett Place, the American Tobacco Campus and the Duke University Chapel and Gardens. They were also treated to an opportunity to enjoy the Wide Open Bluegrass Festival in downtown Raleigh Friday evening and on Saturday.

NEW ZEALAND & AUSTRALIA JOURNEY, MARCH 17 – APRIL 7, 2020

It won't be long before members of our club will journey to New Zealand and Australia. Donna Steele, Ambassador Coordinator, and her entourage will have their first stay with the Kapiti Coast, NZ, club. The Kapiti Coast club visited us in 2016, and they are looking forward to returning the hospitality.

This club has provided a draft of their itinerary that includes a visit to the Lattey Homestead to see alpacas; the KenaKena School, a unique and award winning school that attracts local and international students alike; a mini bus trip to Mt. Victoria; a train ride and visit to Wellington; the U.S. Marine Memorial at Queen Elizabeth Park; a lagoon and beach walk; a nature reserve and more.

The second NZ week is still to be determined, but Friendship Force International staff is working on it.

The third week, ambassadors will travel to North Moreton, Australia, near Brisbane. While the itinerary is not complete, the plans are for you to visit the Australia Zoo where you can see koalas, kangaroos, and wombats among others. Also in the planning stages are a Botanical Garden and Planetarium, a visit to Brisbane City with a trip on the river, and perhaps another boat trip that includes some historical reenactments. There will be no shortage of opportunities to experience the diversity that Australia offers.

Donna and Herman Steele welcome you to travel with them on this "Down Under" experience. Contact Donna dhsteele249@yahoo.com or 919-333-6361 for all the details, costs, travel planning, etc. Make your plans now to go.

FLORIDA IN FEBRUARY ANYONE?

If you have the time, plan to spend a few days in Florida in February before taking off to enjoy Fall in NZ and AUS. Or if you can't make the NZ/AUS journey this time, consider a few days away on this journey to Florida Suncoast. <https://www.ff-fs.org/> February 20 – 25, 2020. Contact Judy Wright (judytwright@gmail.com) for additional information or to add your name to the list.

A GREAT GATHERING OF FRIENDS AT VIVO

A larger crowd than usual gathered at Vivo Italian Ristorante on Sunday September 8 for our monthly dinner and Annual Meeting. 28 people enjoyed socializing with old friends, newer members and guests before the Vivo staff served delicious appetizers, drink and meals in their private dining room. Thanks to Molly Kiefer and Mike Rakouskas for assisting me in getting the word out about this event.

During the Annual Meeting, President Judy Wright announced the 2020 slate of officers and Board candidates, which was accepted by acclamation by the membership. She also emphasized that Friendship Force International is putting focus on "Faces Not Places," described upcoming journeys this year and next year, and

asked for the entire membership's cooperation in becoming as active as their time and ability allow in order to make FF of Raleigh thrive. Please look for more journey, activity and event information in this newsletter. –Carol Reilly
