

# March Break 2025 Report

# Day 1 - Rock Climbing

We kicked off Day 1 of camp with an exciting trip to Top Rock for a day of rock climbing adventure! Our campers had the opportunity to challenge themselves on a variety of climbing walls, each offering different levels of difficulty and fun. Whether they were racing each other to the top, encouraging friends along the way, or trying out new routes, everyone showed great teamwork and determination. After a morning full of climbing, we gathered together for lunch, giving campers a chance to relax, connect, and share stories from their climbs. It was an energetic start to camp.

# Day 2 - Movies

Day 2 of camp was filled with action and excitement! We headed to the theater to watch the newest release in the Marvel Universe – Captain America. The campers were thrilled to see one of Marvel’s newest heroes on the big screen, and there was a lot of high energy.

Everyone enjoyed classic movie snacks like popcorn and drinks while getting caught up in the action-packed adventure. After the movie, we wrapped up the day with some fun in the arcade, where campers played games, won tickets, and spent time laughing and bonding with friends. It was a fantastic day that everyone enjoyed!

# Day 3 - Pottery Painting at Crock-A-Doodle

Day 3 of camp was a perfect mix of relaxation and creativity! We started the morning with a movie at the office, giving campers a chance to unwind and enjoy time together.

After the movie, we had a pizza lunch, snacks and juice. In the afternoon, we headed to Crock-A-Doodle for a pottery painting session. Each camper had the chance to pick their own piece and bring it to life with their unique artistic touch. It was amazing to see their creativity shine as they painted everything from mugs to figurines.

# Day 4 - Art Gallery of Ontario (AGO)

On Day 4 of camp, we took a trip downtown to visit the Art Gallery of Ontario (AGO). The journey was just as fun as the destination, with campers playing games and sharing laughs on the bus ride there. Once at the gallery, we explored several inspiring exhibits, including a powerful collection celebrating Black Joy and highlighting Black culture through a variety of artistic expressions.

Campers had the opportunity to reflect, ask questions, and connect with the artwork in meaningful ways. It was a day filled with creativity, learning, and appreciation for diverse voices in art.

# Day 5 - Playdium

We wrapped up an amazing week of camp with an action-packed day at Playdium! The campers spent the day enjoying a wide variety of arcade games, friendly competitions, and even a few rounds of bowling. The energy was high and the excitement was nonstop!

For lunch, we refueled with pizza and fries before winding down to reflect on the week. Campers shared their favorite memories, new friendships, and all the fun they had throughout the week. It was the perfect way to celebrate the end of a fantastic camp experience.
