## Welcome Back Raptor Families!

As we head into what is sure to be a unique experience let's remember that we are in this together and that is why there has never been a better time than now to join the PTA! Your voice is more important this year than at any other time because we will not have the opportunity to catch up daily on campus!

**July 24, 2020**

Dear Raptor Families,

On behalf of the Creekview Ranch PTA, I want to thank you for your tremendous support last year and to welcome you to the 2020-21 school year! It has been too long since our amazing students were last in school and we miss seeing each of you on campus but together we can make this school year just as successful!

As you are all aware, we will be starting our school year using the Distance Learning model which means that it is more important than ever to stay connected and involved by joining the PTA. Being that this is a new chapter for all of us, we will be working hard to keep everyone informed as the new developments and changes come in. The PTA will continue to work closely with the teachers and parents to help everyone navigate through this new normal.

On behalf of the parents, I would like to extend my heartfelt gratitude to our Creekview staff for working tirelessly to move from the traditional model of schooling to a virtual learning model. Their tremendous efforts made the switch to distance learning so much easier for all of us!

Finally, I thank you, our incredible school community, for your understanding and support during this unprecedented time. I wish you and your family good health and again, welcome back!

Sincerely,

Sam Sidhu
