

Creekview Ranch School PTA

Needs your Support!

Being part of a community is a powerful experience. How can you really be a part of a local community? There are many ways. Community schools' PTA is a great place to be involved. You can work with neighborhood parents, interact with families from the area, and know that you're making a difference by contributing to kids' school experience. Give your time and get active in our community to maximize your own involvement at a grass roots level. Consider the possibilities of supporting the 2018-2019 Creekview Ranch PTA.

- Connect with other parents
- Be the first to hear about important news and upcoming events at school
- Influence how PTA money is used for Creekview Ranch School
- Share your ideas for new programs and ways to support our school
- Get to know school administration and teachers
- Have a voice in the activities and programs the PTA supports

It takes a village to support our school and the Creekview Ranch PTA is in dire need of more Parent support. Please consider applying for a position or just attending our monthly PTA meetings to show silent support.

We need help with the following events/activities

Opportunity	I can help!	Opportunity	I can help!
Country Carnival – (planning, set up, clean up, vendor calling, run errands, or booth duty)	_____	Catalog Fundraiser - (planning, sorting, distributing)	_____
