We need to assemble 32 BACKGROUND/ACCENT HST units, exactly like we have throughout the clues in this design. Once these are complete and trimmed to 3-1/2" or 4-1/2", here is the layout of our block.

So easy and effective. I love these. We should have eight (8) of these beauties that measure 9-1/2" or 12-1/2" now.

AND just in case you wanted something more to do before Clue 6, here is the binding chart.

These strip amounts are based on NO added border, for the size I supplied in the Fabric Requirements. They are also for straight WOF cut binding. The 9" block design should finish around 64" x 76". The 12" block design should finish around 85" x 101". These strips will cover you for these sizes.

<i>2-1/2" WOF strips</i>	8	10
