THE SCVQG WELCOMES SPRING BACK

PRESIDENT'S MESSAGE

Wow, did we ever have a great show and tell. Way to go Eddie. This UFO challenge has got everyone all excited and is spurring people on to get things finished. I know April is going to be great also. I am excited to see what all we have then.

June is our auction. We need to go through our things we have put off that we probably will never get done and bring them this month and next for our auction. I have already got some stuff stacked up to bring. See you at the meeting.

Donna

UFO Challenge

We had lots of interest in the UFO Challenge at the March meeting; if you still would like to join; the challenge is open and you can join anytime.

Congratulations to the 33 who have already joined, looking forward to seeing your completed items in the coming months!

Eddie Moore

BLOCK OF THE MONTH

Cowboy Festival

We are still looking for volunteers to work at the Cowboy Festival on April 20 and April 21. The sign up will be at the next meeting or you can call Barbara Montejo to sign up before the meeting.

Block Auction

We are collecting item for the June Block auction. Please bring your items to the April or May meeting. They must be turned in by the May meeting so the committee can organize them for the auction. Thank you in advance for your donations.

Block of the Month

We will be having the drawing at the April meeting for the Easy Spring Fling block.

The block for May and June will be a very easy star block. See you at the April meeting.

PROGRAMS

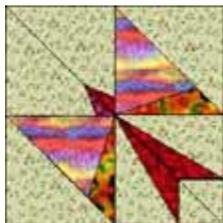

Hello, Quilters and UFO busters!

The March meeting was community service, but the amount of Show and Share quilts was unbelievable! So many gorgeous and varied quilts, from the Tate workshop wallhangings to baby quilts to super king size ones. It's a trip to the museum without gas or entrance fee. Truly lovely ladies.

We handed out at the meeting a survey about your interests and received a lot of them back. Thank you! That gives us more information on what you, the membership, like for speakers and teachers as we head off to Meet and Greet after our April meeting. The survey is included in this newsletter, so please take a few minutes to print, complete, and return it at the April meeting. You can either give it to either one of us or leave it on the sign-in table.

Sharon Wilhite will give us a trunk show for our April meeting. Unfortunately her April workshop has been cancelled due to low sign-up. (Please let us know what is happening so we can better schedule events.)

The May meeting will present Kathy Tanner from Quilty Pleasures with her "truck" show.

PROGRAMS Continued

Our famous "How Do You Do That" night is coming up in July, and we need you to volunteer to share one of your talents with us. Don't be shy, now. What can you share in about 15 minutes? Skill? Technique? Twist? Mini hands-on? We'll have a sign-up sheet at each meeting to get your commitment. Hey, how about an idea on something that you would like to see? All comments are welcome!

Check out the Guild website for this year's complete program listing, including extra community service/free sewing at Millie's clubhouse on selected Saturdays. Please come for the good works and great friendship. These little events also "feed the need" to quilt together when there is no regularly scheduled workshop. Please join us! (Thank you, Millie, for the use of your beautiful clubhouse.)

COMMUNITY SERVICE

Last month was Community Service Sew Night. We thank all those who were able to participate. We had many members take home various items to finish up. Remember we are trying to get Painted Turtle Camp items (quilts and turtles) done by April as we will be delivering them later that month.

As always, we have on-going projects in the back of the room that need to be worked on (kits, quilts that need to be quilted, binding sewn on quilts and placemats as well as labels, that need to be put on, etc.).

We have been asked by many members about dimensions for various projects. Here are a few:

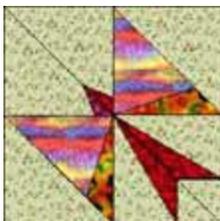

Turtle Camp - Bed quilts 60 inches by 80 inches

Turtle Camp take home quilts - 35 - 40 inches wide by 45-50 inches long

Shawls - 22-24 inches by 60 inches

Placemats - 14inches x 19 inches

VA Hospital - Twin size

COMMUNITY SERVICE ROAD TRIP

We will have a tour of the facilities of Painted Turtle Camp, Friday, April 26. We typically carpool, meeting at 9:15 a.m. by Pier 1 Imports in the Target shopping center in Valencia (Magic Mountain & McBean Parkway). The tour lasts about 1 to 1.5 hours and is free of charge. After the tour some of us opt to go out for lunch. If you can't make lunch, make sure you are driving with someone who is also coming back. This is a great opportunity for anyone who has never been there. Please contact Helena and Dana if you are planning on making it. We will leave by 9:30 a.m. sharp.

SOUTHERN CALIFORNIA COUNCIL OF
QUILT GUILDS QUARTERLY MEETING

Southern California Council is hosting teachers at their April meeting.

This special "Meet the Teachers" event gives council guild members a chance to preview speakers for their meetings. This opportunity can provide an up close and personal view of those speakers who could excite our guild members to attend a meeting.

If you have a special interest or would like to see a speaker at one of our meetings contact our Programs Chairs, Gabrielle or Patsy, who will be attending and meeting the teachers.

Our Opportunity Quilt will also be there, if you'd like to help, contact Barbara Montejo as soon as possible so they can work you into the schedule. It should be fun.

As always, check the council website at www.sccqg.org/ for area guild activities.
