

SANTA CLARITA VALLEY QUILT GUILD

***Volume 37 – Issue 08
August 2026***

Our mission is to stimulate an interest in quilts, to promote and advance the art of quilt making, to conduct educational programs and services in the design techniques and preservation of quilts and quilt making; and to promote quilting in philanthropic endeavors.

PRESIDENT'S MESSAGE FOR AUG

Can You Imagine? We now have 127 members! We had 84 members present for our speaker, Kena Dorsey on a hot summer night. (Yes, the air was on, but it took a while to cool down that big room.)

The African Adinkra symbols workshop was a lot of fun. We used Kena Dorsey's mud cloth fabrics and her iron on Adinkra symbols to make a table runner or wall hanging. The mud cloth had a different texture on the reverse side, and the colors were very intense. She introduced an AGF Pure solid fabric which was all cotton but had a soft hand. Hopefully, you might be able to see a few at our next Show and Share.

Quilt Show, Quilt Show, Quilt Show. Please check your emails to see what information you must complete to enter your quilt in the show. If you have questions, please reach out to Darlene S. or Jean C.

On September 12, we are having our annual fabric sale. We will need volunteers to help sort fabric and set up and take down after the sale. More information will be in the September newsletter and emails.

We are still in a need for a president and a treasurer for next year. Both candidates must have been a member for at least 2 years. At the October meeting a slate of candidates should be presented and nominations can be taken from the floor. Also, we need a chairperson for the senior center who makes the place mat kits. Jerri S is looking for a member to follow her for programs. If you are interested in any of these or other positions, please contact me. Marcia and Barbara are hanging up their hats as Chairs of the April Cowboy Festival. The guild is in need of new Chairpersons and should talk to either Marcia D. or Barbara S. for details.

Have a happy summer and safe travels. Penny Kendall-Lawrence - President

QUILT SHOW 2026

Our dates are locked in - **October 24 and 25 of 26. Memorize it!**

If you are reading this on August 1, do you realize that the Quilt Show is only **84 DAYS AWAY!!**

- Have you entered the Quilt Show using the online form?
- Have you printed out a photo of your quilt and attached the photo form to the back?
- Have you put the photo somewhere that you will remember to bring it to the August meeting?
- Do you still have questions? Please, please, please reach out to Jean C. She is a wonderful person & ready to help YOU!

Please help us keep the Quilt Show planning running smoothly! Every item that you want to show needs to be entered. Whether it is your quilt to have judged or not judged, a mystery quilt to show in an exhibit, a Barn Quilt to exhibit for the Quilt Show Challenge, an item from a workshop, or anything else - we need it entered so that we can figure out where everything will go.

- Have you marked your calendar to bring the entered items to Darlene's home on October 18-20?
- Have you thought about where you want to help at the Show?

Vickie Reti is taking Lead for Volunteer Organization. She will have signups at the August and September Guild Meetings.

These are the Leads for each item. If you have a question or specific thought, please reach out to them:

- Quilt Show Challenge - Barn Quilts - Gabrielle
- T-shirt orders - Barbara S. - The link to order was emailed on 6/11/26 by Mary Moonitz
- Car Show - Linda P. - Classic Car Club on Saturday and Corvette Club on Sunday
- Food Trucks - Claire R
- Demos - Nancy M.
- Vendors - Suzi R. - Space still available
- Raffle Baskets - Joyce W. - Still collecting items
- Boutique - Connie S.- See list of "Wishlist Items"

At our July meeting, we spoke about the previously mentioned idea of including a Consignment Booth for guild members to sell their quilts. We took a hand count to gauge interest, so we would know if we should move forward with this. We counted only seven people. Therefore, at this time, we are not moving forward with this idea.

Thank you!

QUILT SHOW CHALLENGE

Hello, quilty ladies!

Here's an update on the Barn Quilt Block Challenge: 24 have been submitted. Yay!

It's not too late to commit to creating one that catches your fancy. Here are the blocks chosen so far which will help you determine if your fav is unique. (We prefer not to have duplicates.) If you need help, just call/text/email me!

Remember to follow the guidelines for submission from our wonderful co-chairs, Joann and Darlene. In addition, please send me 2 pictures, the first one of the original barn block on the actual barn (or other structure) and the second one of your rendition.

Thank you from Gabrielle.

QUILT SHOW 2026 – BOUTIQUE

Boutique planning is in full swing! Thank you to those who have already stepped up to help. I am interested in acquiring some “tried-and-true” items to replenish our current inventory. The following chart shows some of the items that are needed. If you or your group would like to fulfill some of these items, please let me know your plans so I can “sign you up” and avoid duplication. Rest assured, however, that you do not need to limit yourself to these items, as new items are also welcome. I am looking for a wide variety of items to add variety and interest to the Boutique. Please let me know about items that you would like to make. I can be reached by text, email or phone, all are in the directory. Thanks in advance for your enthusiasm and effort to make the Boutique a success.

HELP FOR WHEN YOU HAVE PROBLEM WITH BLEEDING COLORS

As mentioned at the last general meeting, we had success using Blue Dawn and warm water to remove blue stains when a couple of our DJ blocks bled. Melissa found an article that recommended this process of soaking the item in warm water and DAWN. We tried it and it worked. I used it on a pillow top where the red has bled. The plastic container was large enough to hold the pillow top I was soaking. We left it to soak for about 15-20 minutes. You could see that the water had turned color and the fabric was clear of the stain. I have done more research and Suzyquilts.com has an article how she saved a whole quilt with Dawn in a bathtub. She used **HOT** water and another article said use **COLD**. Sooooooooooooo mixture of opinions but they all seemed to work for the writer, Hope this helps if you get into this bind.

PROGRAMS – JELLY ROLL

In honor of Jellyroll month, we will be showing a video on how to complete a jellyroll quilt in an hour. I know everyone has at least one jellyroll or enough fabric in your stash to create one. For those that are new, a jellyroll is 40-42 strips of fabric that are 2-1/2 inches wide and 40-42 long, typically two strips per fabric pattern. So, the challenge is to create a quilt in the month of August for our show and share in September, we will vote on the best and that quilts creator will get a prize. No head starts you have to wait until after our August meeting to begin, as there will be certain criteria that must be met!

SARA'S MULTI-PURPOSE ROOM LOCATION INFO

For all events and workshops being held at: Sara's Multi-Purpose Room – Bouquet Canyon Apartments – 26705 Bouquet Canyon Rd, Saugus

The Complex is located across the street from the church where we hold our monthly meetings. The room is spacious offering a nice venue to hold our workshops. Parking is very limited, so we recommend carpooling and dropping off your sewing machines and supplies at the multi-purpose room before looking for parking. Participants can park in the Bouquet Canyon Plaza shopping center next to the apartments. There is parking available by the Trek Bicycle shop and a short walk across the bridge into the apartment complex. Please bring your lunch and drinks with you. As an option, there are several fast-food places close by.

UPCOMING LECTURE WITH CONNIE SITAR

COMMUNITY SERVICE – GUIDE DOGS

Guide Dog of America Status

Thank you for the 11 blocks that have been returned. They are very special! I show 7 more blocks being worked on. Thank you to the ladies who stopped by this weekend and picked up some of the blocks. The paws and bones have been completed or are out with others to complete. Thank you everyone for stepping up for this.

I still have the following pieced blocks available:

- 12" Cavalier King Charles
- 6" English Bulldog (would love the 12")
- 6" Beagle
- 6" Poodle

In the Elizabeth Hartman puppy faces there are 3, one of each color arrangement (pieces are the same in all blocks). 10" finish.

That is 7 patterns remaining. If you are willing to try, please email me at patti.voyles@att.net or call 661-878-5724 and I will make arrangements to get the pattern and background fabric to you.

We are hoping to collect all completed blocks by the August meeting. If you complete them early, some of the mini group folks have volunteered to pick them up. The current plan is to layout the quilt top in August the week after our meeting. Once it is assembled, we will be able to provide the picture for the quilt show display. It will not be quilted for the show

Thank you for the marvelous support! Patti V

COMMUNITY SERVICE – SENIOR CENTER

Just a reminder that Lorraine and I will be ending our service as senior center chair and are looking for that special quilter to take over this job in 2027.

At our last meeting I received 64 completed placemats and 7 placemats that will need binding. Thank you to everyone that turned in items to the community service table. Congratulations to the winners of the community service drawing.

We are so close to our goal of 500 placemats for the senior center that I am asking for by our next monthly meeting, please consider taking home a project from the veterans table, maybe try 3-yard quilt or how about a project for the quilt show boutique. However, don't worry if you've been working on placemats, I will still collect them.

As always thank you for all your hard work and please consider volunteering as next year's senior center chairperson.

Thank you for your support
Debbie A

HOSPITALITY

Snacks are **R through Z**. If you bring your snack in a serving dish, please label it. Please also pick it up before leaving the meeting. We don't always know who brought which specific plate, bowl, or casserole dish. We would hate to just leave a member's heirloom dish at the church simply because we do not know who owns it. If you do forget to pick it up, then by having your name on it, we will return it at the following meeting or contact you directly.

SCVQG Block of the Month

June 2026

Two For One: One Block-Around the World and HST Flying Geese

You will make one block that is 11.5" UNFINISHED.

You will also make a second block that is 7" UNFINISHED.

For each block, you will need to cut the following from the fabric provided:

<u>Fabric/Color</u>	<u>Cut Size</u>	<u>Quantity</u>
Black fabric		
- Background	6" x 6"	4
Grey Fabric		
- Corner Squares	4 1/2" x 4 1/2"	4

SEW ALL SEAMS AT 1/4"

Step 1:

On all (4) of the Grey squares:

- Draw a diagonal line on the back from one corner to its opposite corner.
- Draw a second diagonal line 1/2" from the first drawn line.

Step 2:

Place one of the 4 1/2" Grey squares right sides together with a 6" Black square, in the upper right corner of the Black square. The second, shorter drawn line should be closest to the corner. Sew on BOTH diagonal lines.

Step 3:

Cut in the middle of the two sewn lines (your cut line should be 1/4" from each of the sewn lines) to create (2) blocks: one 6" Black block with a Grey snowball, and one 3 3/4" half square triangle.

Step 4:

Press towards the Black on both blocks.

REPEAT STEPS 1-4 WITH REMAINING FABRIC SQUARES TO MAKE:

(4) 6" Black blocks with a Grey snowball, and

(4) 3 3/4" half square triangle blocks.

Make the 11.5" BLOCK using the (4) larger blocks (Black with Grey snowball corner)

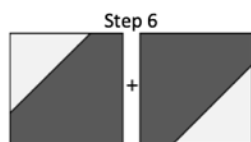

Step 5:

Top Row: Rotate two of the blocks so that the Grey corners face inward. The Grey corner must be in the bottom right of the LEFT block and in the top left of the RIGHT block. See diagram. **Double check that you have rotated them in the correct orientation!** Sew these two together. Press towards the LEFT Block and set aside.

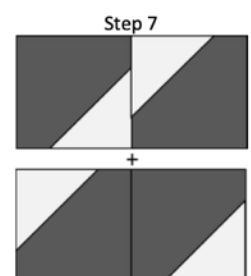

SCVQG Block of the Month

June 2026

Step 6:

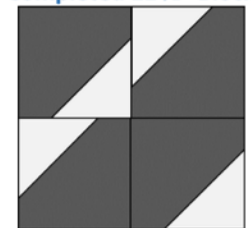

Bottom Row: Rotate the remaining two blocks so that the Grey corners face outward. The Grey corner must be in the top left of the LEFT block and in the bottom right of the RIGHT block. See diagram. **Double check that you have rotated them in the correct orientation!** Sew these two together. Press towards the RIGHT Block.

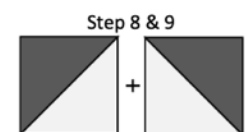

Step 7:

Sew the Top Row to the Bottom Row. Press Open. This block is complete.

Completed 11 1/2" Block

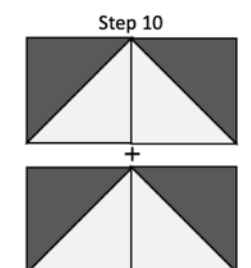

Make the 7" BLOCK using the (4) half square triangles

Step 8:

Top Row: Rotate two of the HST blocks so that the Grey triangles are touching and form a Flying Geese unit with the point facing UP. The Grey side must be in the bottom right of the LEFT block and in the bottom left of the RIGHT block. See diagram. **Double check that you have rotated them in the correct orientation!** Sew these two together. Press towards the LEFT HST Block and set aside.

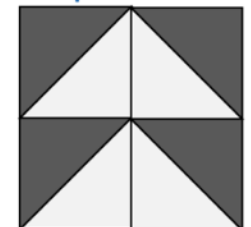

Step 9:

Bottom Row: Repeat Step 8 with the remaining (2) HST's. Press towards the RIGHT HST Block and set aside.

Step 10:

Sew the Top Row to the Bottom Row with the Geese points facing UP on both. See diagram. Press towards the Top Row. This block is complete.

Completed 7" Block

Double Check the two finished blocks match the "Completed" diagrams and are the correct size, then turn in to the BOM table at the next meeting. Thank you!

SCVQG Block of the Month

June 2026

If you choose to make these quilts on your own, you'll need:

- 5 yards of a background fabric (This is black in our example. You can choose any color in a solid, blender, or small print.)
- 1 3/4 yards for the corner pieces (This is grey in our example. You can use any solid, blender, or small print, but choose a fabric that has a high contrast to the background fabric.)

This yardage and the instructions above will make the following TWO quilts...

The One Block-Around the World quilt (using the larger blocks) will finish at 66" x 77" (without borders). 42 blocks in a 6x7 layout.

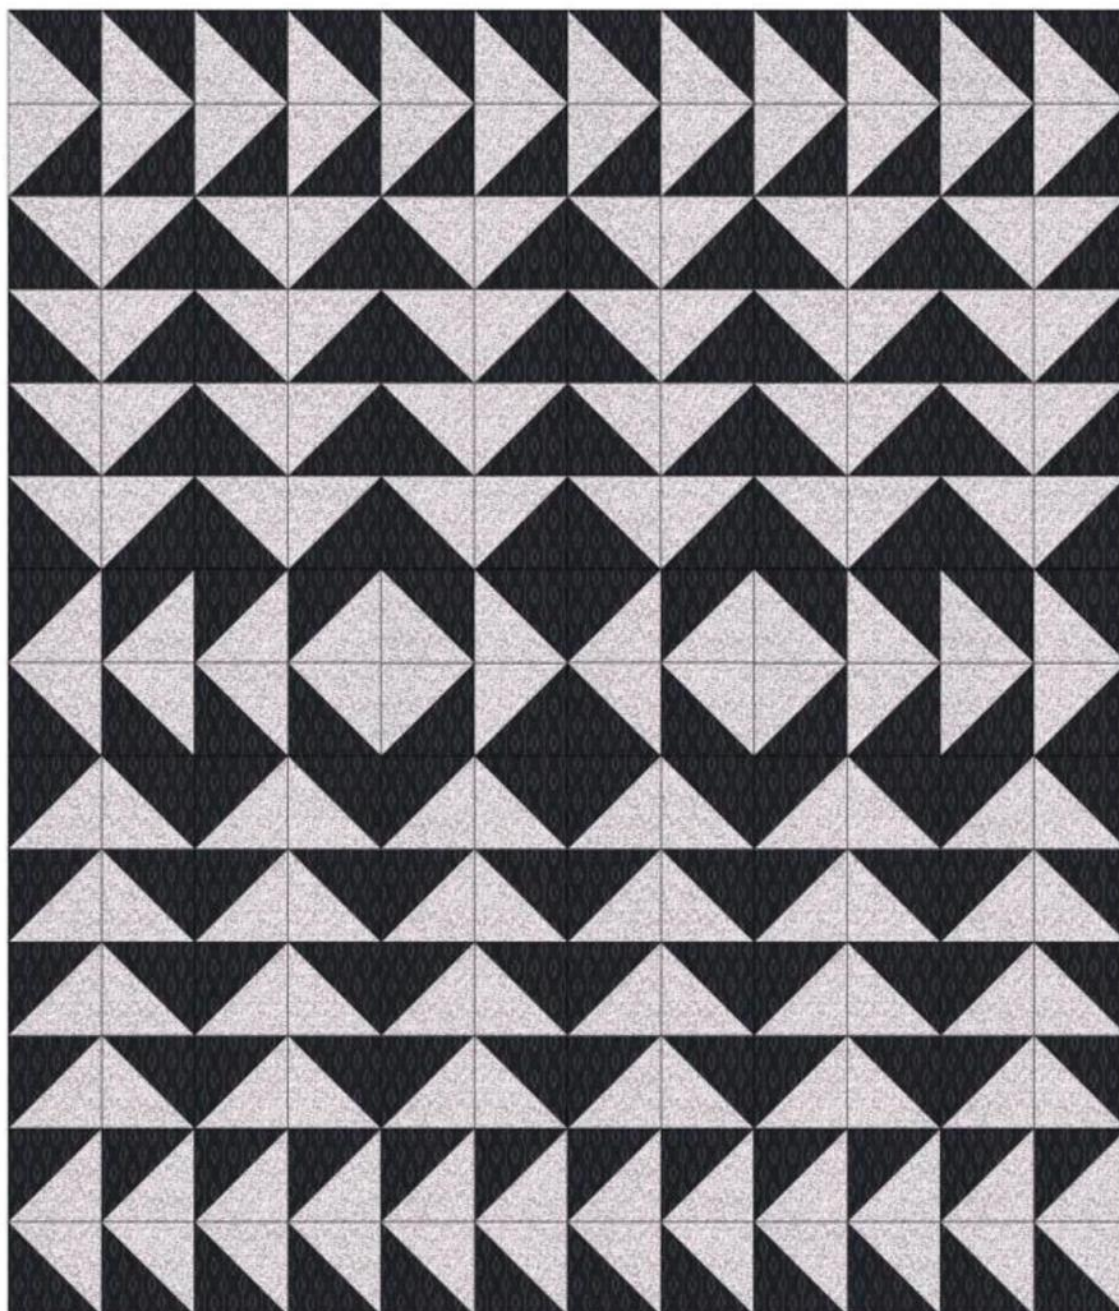

SCVQG Block of the Month

June 2026

The HST/Flying Geese quilt will finish at 39" x 45 1/2" (without borders). 42 blocks in a 6x7 layout.

Note, this is one suggested layout. There are endless possibilities with rotating the Flying Geese blocks. You could also add sashing or borders to make it larger.
