PRESIDENT'S MESSAGE

Drive-Thru Community Service Quilt Guild Meeting

August 13, 2020

6:30 to 8:00 PM

The Church of Jesus Christ of Latter-day Saints

24915 Peachland Ave., Newhall

And the beat goes on...I hope you and your families are all well and you are keeping busy with your projects and more. Some good news: we are having a Community Service drive-thru meeting Thursday, August 13th.... our regular meeting day, but the location will be at **The Church of Jesus Christ of Latter-day Saints 24915 Peachland Ave. Newhall**, off Lyons and a block behind Smart and Final from **6:30 pm to 8 pm**.

What will you do there? You can park your car and put on your mask and walk to each of the tables that will be set up, or stay in your car and visit each table. At the tables, you will be able to drop off all community service projects you have been working on and pick up more. You will be able to purchase our beautiful 30th anniversary pin for \$6...check or exact change. We will have 3 raffle baskets that you can purchase tickets for...6 for \$5...check or exact change...sorry no \$1 tickets. Money will be collected and the Ways and Means girls will write your name on your tickets and drawing will be held that night at closing and you will be notified. Baskets will be delivered unless you are still there. Those of you that have your Opportunity Quilt tickets can turn in your stubs that night, too. You can also purchase additional opportunity quilt tickets...6 for \$5 exact change, sorry no \$1 tickets at this time. For those of you who did not pick up your Opportunity Quilt tickets, your name has been put on your tickets and placed in the drawing bucket. You can pick up your confirmation portion of your ticket at the drive-thru, too.

Those who will be helping at the various tables will have masks, gloves, and sanitizer to keep you as safe as possible.

You are welcome to park in the parking lot and visit at a social distance. Please wear your mask...we have many members who have not been in public and we need to respect them and others as to their concern about this pandemic currently.

This will be a great opportunity to get out of the house and go for a drive and see some familiar faces and pick up new projects. If you do not have projects to drop off or need to pick up projects come by anyway and say "Hi". I know we are all missing our time together...all meetings are TBA as we do not know what the next few months will bring.

Thanks to Kathleen Dolan's donation we are currently working on a way to Zoom meetings, Classes and more! Don't forget to call a friend or a stranger and make a new friend!!

Best to all,

Your President,

Joyce Wilkinson

I hope you all have been sewing up a storm, as well. When we have programs to announce, I will...in the meantime...

COMMUNITY SERVICE – GUIDE DOGS OF AMERICA

The quilt will need to be assembled by the end of September. I am still short on both blocks. Please check out the patterns (pattern is at the end of the newsletter). If you need the small print for Block 1, let me know and I will gladly put some out front for you or, drop it off on your porch. If you have finished your block(s), you can put them in the empty cardboard box on my front porch which is there to collect returns, or bring them to the drive-thru meeting in August where I will be waiting with the Veterans projects. Thank you for supporting this effort. If you are wondering about the crunch time - the quilter needs it ahead of the Christmas rush to plan it so we have it ready to give to GDA at the January meeting.

COMMUNITY SERVICE – VETERAN'S PROJECTS

Kendra has been helping me get projects ready for anyone with some time to do them. We have several bed quilts for the Cal Vet apartments that need quilting. We have about 15 wheelchair or lap quilts that have been spray basted. All the quilts have tags showing the finished size if you are concerned about whether you can work with them. Lap quilts are for the vets to use as a cover when sitting in chairs or an extra layer of warmth on the bed. These quilts go to both the Rehab center and the Cal Vets. At this time I have one large and two small quilts that are ready for binding.

Kits are being created for several different patterns. The first is a tree farm which involves creating four checkerboard rows made up of four patches and sewn with a print fabric. Borders are added. Fabric is provided to make the whole top with a picture of a finished quilt and instructions. Over the years I have been given many of the block of the month creations. The rest of remainder of these blocks, with fabric that can be used for sashing and borders, have been kitted. Some kits have suggested assembly instructions, but all are up to your imagination to complete. If you want a different fabric than what has been provided, I will make arrangements to get you some from our storage stash!

All of the above kits/quilting will be available at the August meeting if no one has claimed them before that time. They are in boxes or tubs on my front porch. There is a sign-out book between the rocking chair and the bench. Feel free to drop by and pickup or or leave projects. Looking forward to seeing some of the ones checked out the last few meetings!

COMMUNITY SERVICE – SCV PREGNANCY CENTER

Hi everyone hope you are all doing well and staying healthy in these unprecedented times. I want to give you an update on what's been going on with our efforts for the SCV Pregnancy Center. Back in April I took over 19 bundles to the center each containing a baby quilt, receiving blanket, bib, and burp cloth. This gives us a running total of 41 bundles we have

delivered to the Pregnancy Center. Nice work, everyone! I am hoping to make another delivery to the center in late August. So I am asking if you have any completed items for the center to drop them off at the August drive by or contact me and I can make arrangements with you to pick them up. And, if you are looking for something to sew I have kits for baby quilts, receiving blankets, bibs, and burp cloths which you can also pick up at the drive-thru. I'm in the directory, feel free to email, text or call if you have questions.

Thanks and happy sewing

Debbie Ackerman

QUILT SHOW TEE SHIRTS

I will be at the August Drive-Thru guild meeting with the tee-shirts that were ordered for the quilt show. Please stop by my table and pick up yours thanks!!

BLOCK OF THE MONTH

Once again this month we are all still staying safe by staying at home. I hope you are well and are keeping busy sewing some Block of the Month squares to make up some cuddle quilts for the special kids at Turtle Camp whenever it gets to reopen!

Our has finalized plans for a drive thru meeting for our August 13th meeting date. I will have a new Block of the Month pattern available for pickup at my table, as well as a basket to collect all the blocks that you have made while quarantined. I hope you will have many to fill my basket! I will also have the pattern posted on our webpage online.

Call me if you have any questions. 😊 Thanks and stay safe,

Linda von Mohr 937-554-8259
