This is a Veteran's lap quilt. The block is from the National Quilt Museum BOM; American Star designed by Morgan Anderson. I quilted it with Amanda Murphy's mini-lollipop rulers on my Bernina 790

Debbie Ackerman

This is a picture of the quilt I turned in for the Veterans. I used a pattern from Missouri star quilt company.

Cal Vet Donations

As I have mentioned, I will be making arrangements to take the quilts and clothing protectors to the VA next week. Don't worry if yours is not here yet. I will go again in two – three months depending on how many I have. I didn't have time to take pictures of each one for tonight, although many were in this show or in last month's. I will take pictures of any that were missed and add them to the next show. Here is a picture of my couch minus the two that are having labels added to them. Thank you everyone who did any part of this amazing effort. Oh – box contains the clothing protectors.

Remember to send your Show and Share pictures to Patti Voyles or Marcia Dains by the Sunday before the next meeting. If we are doing a drive by meeting, pictures will be saved for the following month.

Thanks to all the members who contributed this month!
