

7 blocks – Arrange 12" (12.5" raw) blocks in the grid shown below.

Use labeled fabric for borders – 2.5 inch strips at 2.5 inches for the sides. Note – the outside edges of this diagram are not to scale, all outside fabric is 2.5 inch cuts. Also cut from the same fabric, a square 12.5" x 12.5". Cut on the diagonal:

Add to each side of the bottom block before adding to the grid.

Sew the 2'5" strips to the sides of the triangles before adding the other sides. This will make the angles easier to control.

Return top and any significant scraps in the bag. If you don't want the pattern, return so we can reuse. Thanks!
