

The Ohio Broncos **Pro Advancement Football**

As an organization, the **Ohio Broncos** has had a dynamic approach to community involvement over the course of our 4 years of operations. Outreach within the community is at the heart of the staff; many of whom are from Northeast Ohio and have strong ties to their communities, schools, and other organizations.

For the 2025 Players Amateur Football League season, our organization played our games at St. Thomas Aquinas High School. Your school can help provide a home for the **Ohio Broncos** that will prove to be beneficial for both parties. By partnering with one of the area's premier Pro Advancement Football franchises, your school can benefit from unexpected revenue coming from your football stadium during the late spring and summer. We also encourage that the school offers one of their organizations, such as booster groups, the opportunity to operate the concession stands. This provides food and refreshments for the fans and allows the group to raise additional money they may not have expected for their program. The **Ohio Broncos** would also let the school use our organization's discount at the local GFS (Gordon Food Services) for the concessions at the games. Our staff and players may also be available to help in various capacities with your school's football programs and beyond.

The **Ohio Broncos** organization is committed to working closely with youth football programs in our community by providing camps and creating opportunities for young athletes to grow both on and off the field. Our experienced staff will also share their knowledge and insight with local youth coaches, offering guidance and education drawn from their own playing and coaching backgrounds.

To celebrate and inspire the next generation, we plan to host dedicated **Youth Football Days** at our home games. On these special days, young athletes will be honored and given opportunities to take part in memorable game-day experiences. Activities may include playing in a flag football game during halftime, serving as water staff for a designated home game, or even announcing the team before kickoff.

Through these efforts, the **Ohio Broncos** aim to build lasting connections with our community, support youth development, and help create lifelong memories for the players and their families.

We will be prepared to work with area nonprofits and charities, to bring awareness to the opportunities our level of football can provide, when high school or collegiate sports ends for young men. The **Ohio Broncos** staff is ready to help set positive examples for the youth in our communities and our players as well. Our media team, headed by Director of Media Quinton Moss, has spots for students to intern and get credit towards their school.

Aside from winning games, our ultimate goal is to build strong positive role models, who may one day take the reins among their communities, and continue to be an example for other teams and organizations. Beyond team success, the **Ohio Broncos** have also helped players advance their careers, with alumni moving on to opportunities in college football and arena ball.

The **Ohio Broncos** carry a distinguished pedigree within their ownership, backed by proven leadership, deep community ties, and a commitment to excellence on and off the field. In just four years of operations, the **Ohio Broncos** have established themselves as a premier program, securing 2 Conference Championships and 3 Division Championships—all earned during the 2025 Premier Amateur Football League season.

The **Ohio Broncos** are owned and operated by **Jimmy Melton**, who not only leads the organization but also dedicates his time to coaching youth football and high school JV football. **Lynn Townsend**, recently promoted to General Manager, brings both leadership and passion for development through his work coaching at Lutheran East High School. **Quinton Moss**, Director of Media, balances his role with his commitment as an AAU basketball coach, exemplifying hard work and dedication to young athletes. Newly appointed Head Coach **Abrielle Taylor** continues to give back to the community through youth mentoring and personal training.

Together, this leadership team is laying a strong and stable foundation for greatness—on the field, in the community, and for the future of the Ohio Broncos.

Broncos Home Game Experience

Nothing compares to the energy and atmosphere of a football game—especially when the field is stacked with experienced, talented players from every level of the sport. **Ohio Broncos** games will be the *must-watch* events of the season. Our championship expectations are no secret! Every game will serve as a showcase of the intensity, skill, and passion we'll bring when this year's playoffs reach their peak.

But it won't stop there—we're also committed to giving back. Keep an eye out for youth and community involvement at our games, as we create opportunities to support local programs and inspire the next generation of athletes.

Other Sponsorship Options

NEW! Player Sponsorship:

Your Business can also sponsor individual players. A player that you sponsor would have a social media flyer posted on our Fan Page weekly as well as a "Spotlight" post detailing player info. Your logo and sponsorship will be announced on both items. You will also get a photo opportunity with the player.

Player Sponsorship: \$200 per player

Game Day Banners:

Businesses, organizations, and private persons can place banners at our home stadium to show support for the **Ohio Broncos** and even for specific players. Banners will be placed along the press box, in the concession area, or at the field entrance.

Banner Price:

Logo on a 4'x8' banner with all of the Sponsors - \$200

Weekly Internet and Social Media Advertisements:

Weekly Internet and Social Media advertisement purchases last for the entire 2025 season. Once a week, our staff members and our team page will share a flyer or advertisement on social media like Facebook, Instagram, and Twitter. The diversity of our staff insures that your business will get exposure all over Northeastern Ohio, and further.

Social Media Size Options:

A - You Business Logo in the corner of our Team Flyers and Media - \$50

B - Have your Logo on a Post Specifically Announcing our Sponsors Weekly - \$80

C -Full Page Advertisement of your Sponsorship of our team Weekly- \$160

Every social media post on our fan page will reach followers and fans from all over Northeast Ohio and beyond. Our players/staff will be encouraged to share as well with the possibility of reaching tens of thousands more! Our social media posts are also shared on league and pro advancement football pages with up to an additional 30k more followers who are primarily in the tri-state area.

What does your sponsorship help pay for?
