

The Grand Blanc Grid is a network of non-motorized paths running along the grid of roads in our community.

- Hill
- Baldwin
- Fenton
- Vassar
- Saginaw
- Dort
- Holly
- McCandlish
- Center
- Grand Blanc/Perry and more.

The paths will connect residents to local businesses and amenities and can be used for transportation, recreation and health improvement. In Grand Blanc, we also connect to the Iron Belle Trail in many spots. The Iron Belle Trail goes from Belle

Paths Benefit Communities

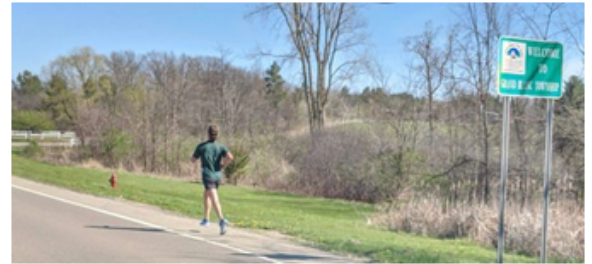

- Increase value of nearby properties
- Make communities more attractive
- Influence business location and relocation decisions
- Encourage exercise and other healthy outdoor activities
- Issue alternative transportation options
