In addition, banquet facilities located on-site can accommodate up to 150 guests and the Golf Club is pleased to arrange group golf tournaments and outings.

Stonemont - Designed and built in 1969 by the renowned Robert Trent Jones Sr., this masterpiece has offered a pure test of golf from all tees since its inception. The Stonemont Course is laid out over gently rolling and cantered fairways. The par 70 layout stretches 6,863 yards, and is challenging with its narrow fairways, strategically placed bunkers, and numerous stands of Georgia pines.

Lakemont - Georgia native John LaFoy designed the Lakemont Course at Stone Mountain Golf Club. It features incredible views of Stone Mountain and the lake. The front 9 holes of the Lakemont Course wind around Stone Mountain Lake, with six holes having water in play. The back 9 offers beautiful holes with rock outcroppings and four holes where water comes into play. LaFoy's penchant for mounding and dramatic bunkering is evident throughout the course. The dramatic elevation changes offer a unique ambiance that appeals to every golfer.
