WOLVES SC!

**Wolves SC** is an Illinois Nonprofit and a community-driven soccer club that is based in Bethalto with players that are local and from surrounding areas.

**At Wolves SC, we champion the power of opportunity.** Opportunity to play, learn, and grow. Our organization is dedicated to offering an **accessible** and **affordable** sports program for youth, emphasizing the importance of **physical fitness, teamwork, personal growth, and community involvement.** We strive to create a **positive** and **inclusive** environment where young athletes can thrive both on and off the field, and where they learn the value of giving back to their **community.**

We recently won the **Championship** in our fall outdoor season, losing only two of the twelve games, and we are looking to repeat that this year. We play games in outdoor, indoor, and the occasional 3v3. For this up-and-coming season, we are looking to play at a more competitive level.

Running our team involves many expenses, including uniforms, field rentals, tournament fees, insurance, and more. Our players are asking for your help. **Your support is crucial!**

**Wolves SC offers a \$300 sponsorship package!**

With your generous **contribution**, we can provide these kids with the necessary equipment and funding to continue growing and thriving.

**Join us in making a difference!**
