Community Workshop on Canby Master Water Services Plan

April 24, 2024 2 PM

At the Canby Community Hall

**Presentation by PACE Engineering, in collaboration
with Modoc County staff.**

An overview of the Canby Master Water Service Master Plan; A preliminary design plan for the possible design and future development of a public water system to serve Canby. The community is invited to attend and participate in this workshop to understand this project and provide an opportunity for public comment that will help the Consultant/County Team understand community concerns and help produce a plan that could be used for future design and financing of this project.

**The Community Hall is located just across the Street from the Canby Post Office.
Plan made possible from a Grant from the California Department of Community Development.**
