

# Vision Board Workshop

## How does it work?

**FREE**

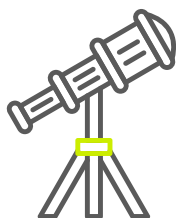

**1**

### Join the Vision

You'll sign up and join our live Zoom Vision Board Workshop — an uplifting, soul-aligned space where creativity meets clarity. You'll receive a prep email with mindset prompts, a downloadable worksheet, and access to our exclusive vision-setting tools

**2**

### Discover Your Inner Vision

We start with guided reflection, affirmations, and intention-setting exercises to help you uncover your personal goals, desires, and divine direction — whether in faith, business, wellness, relationships, or legacy.

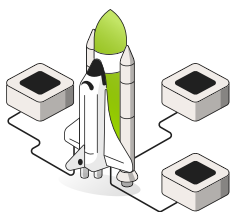

**3**

### Curate Your Board

During the workshop, you'll piece together your unique vision using Pinterest, personal files, digital templates, words, colors, and images that speak to your future. I'll guide you through organizing your board in a way that's not just beautiful, but strategic and sacred.

**4**

### Submit for Design + Printing

After the workshop, you'll have the option to send your layout or idea to me or download it. I'll transform it into a professionally designed, printed 18x20 Canon board, capturing your vision in a luxe, high-quality format. Shipping is included!

**5**

### Receive & Activate

Your custom vision board will be shipped directly to your door — a visual blueprint of your purpose and goals. You'll also receive a post-workshop checklist + affirmation email to help you activate your vision daily, with intention.
