

Outline of Games for the STWGA 2025 Season

June 5: Opening Day: Texas Scramble in the 'Boat

All players tee off and the best drive is chosen. A minimum of 4 tee shots must be used by each player – that's the Texas way! Continue after tee shot by picking the best shot for every stroke.

Scoring: Lowest total team gross score wins (1st – 2nd).

June 12: Step Aside

Each player plays tees off on each hole. Team chooses the best drive. The player who hit the best drive "steps aside" - the remaining players hit the next shot. Team then chooses the best shot again – and the player who hit that shot "steps aside"; Repeat until the ball is holed.

Scoring: Each team record one score for each hole.

Scoring: Lowest total team score wins (1st – 2nd).

June 19: Criss Cross (Players with similar handicaps play together)

Player counts only 9 holes for this event (but all 18 holes can be entered for handicap scoring purposes). Players count their lowest score between each hole on the front nine and corresponding hole on the back nine to make their best nine-hole score. For example, the lowest score on 1&10, 2&11, 3&12, etc. (Note: no special consideration for the par of the hole, so if #1 is a par 3 and #10 is a par 5, you better score well on #1).

Scoring: Individual prizes are awarded for the best 2 gross and best 2 net scores.

June 26: Member/Member: Six Times Three

Pick another member to play with (note this as you register) for two-member teams. The first 6 holes are played alternate shot. At each hole, determine which player tees off, then alternate shots. The second 6 holes are played best ball. Each player plays their own ball for these 6 holes, and the best score is counted for each hole. The last 6 holes are played as a true scramble with both players teeing off and the best shot for each stroke.

Scoring: All of the above will be net scores based on the handicap of the two players. Lowest total net team score wins (1st – 2nd).

July 10: O.N.E.S

Each player plays their own ball for the full round.

The only holes that count are those holes that begin with a "O", "N", "E", and "S" (1, 6, 7, 8, 9, 11, 16, 17, 18). Best two net scores for these holes count towards the team score.
