Neighbors Helping Neighbors

Local Churches Construction Ministry's Questionnaire

A group of local churches will lead a Construction Ministry Project each summer. This Construction Ministry Project will accept only a limited number of projects in Lunenburg County. For the projects that are accepted, our group may not be able to complete all requested repairs and improvements. Our commitment to this project requires that we only accept projects that meet the construction experience, financial resources and time of our volunteers. Preference will be given to projects that involve light construction and/or painting. **WE WILL NOT BE PERFORMING ANY PLUMBING, HEATING, AIR CONDITIONING OR ELECTRICAL WORK.**

If we do not accept your house for our project, please understand that we simply cannot accept all requested projects, and we encourage you to apply again in future years. We look forward to serving local residents during this ministry. If you would like to be considered for our construction ministry, please fill out the following questionnaire.

Please contact Kenbridge United Methodist Church (434-676-8117 or kenbridgeumc@gmail.com) for construction dates and application deadline if it is not provided to you in the top right hand corner of this application or on the KUMC website.

Name: _____

Address: _____

Telephone Number (Home): _____

Telephone Number (Mobile): _____

How long have you lived in your home? _____

Do you own your home in your name? _____

Do you have any judgment liens against your home (excluding mortgage loans)? _____

Are you currently in foreclosure proceedings or have any bankruptcy case pending before any United States Bankruptcy Court? _____
