Sorry I haven't gotten anything done today. I've been in the Produce Department trying to open this stupid plastic bag.

Underwire broke and now I've got one boob in my pocket and the other one is hailing a taxi cab.

A MESSAGE FROM OUR CLUB PRESIDENT

Hi everyone,

It's so nice to finally have our Mr. Monsoon wake up this year. Let's hope that there is many more to come before he calls it quits.

I would like to thank all our members who were able to attend our clubs July election meeting. We had 27 members present and another 11 members who mailed in their ballots to make this election a good turnout. I would like to congratulate the three board members who won the majority of the votes. Returning for another year are Mike Lake and Alex Jolivet. The third and newest board member is Carl Keppler. We also have a new newsletter editor, Debbie Rosenberg. Our four officers had no opposition again this year and volunteered to stay on board for another year. They are MaryLou Lopez-Secretary, Pat Lucas-Treasurer, Ann Van Orden-Vice President and myself, Frank Pella-President. I would like to thank all the members for volunteering for this year's CCCT election. One last note, we still have a vacancy for our club's webmaster. This is a very important position in our club. All potential new members usually go to our website and see what we are about and look at what kind of events that we do. I hope someone will be interested in this essential position that we can't afford to lose!

As voted for at our July meeting we will be having a club function on Saturday, August 26th. Everyone will be meeting for a delicious dinner at Rudy's Country Store & Bar-B-Q restaurant on 2130 E Ajo Way, just off the exit ramp of I-10. To beat the rush we should all be arriving there no later than 4:30pm. I will be sending out an email with details on this evening event very shortly.

Please don't forget that we are not having an August meeting! Our next meeting is September 19th. One last item, we had a Dr. Steve's Patient Appreciation Party on July 13th. Yes, very hot but still worth enjoying the freebies and live music. Steve had a Sonoran Hot Dog/Taco truck for all. This is not really a club event but it's always a great time and it's FREE! I always like to spread the wealth...

Best wishes, *Frank*

With the 101 degree evening on July 13, many of Dr. Steve's patients stayed away from his summer party. Five CCCT members, two brought their classics, did participate and enjoyed the live music, cold refreshments, lots of desserts and a food truck serving great Sonoran Hot Dogs & Tacos. We also enjoyed seeing a 1938 Buick Special, who was invited as a guest, by our member Mike Dalton. I hope to see more CCCT members for Dr. Steve's November event, Frank

Last year I replaced all the windows in my house with those expensive, double-pane, energy-efficient kind. Today, I got a call from Home Depot who installed them. The man complained that the work had been completed a year ago, and I still hadn't paid for them.

HHHelloo.....just because I'm blonde doesn't mean that I am automatically stupid. So, I told him just what his fast-talking sales guy had told me last year... that these windows would pay for themselves in a year.

Hellooooo, it's been a year, so they're paid for, I told him. There was only silence at the other end of the line, so I finally hung up. He never called back. I bet he felt like an idiot!!!

WE ARE A GENERATION THAT WILL NEVER COME BACK.

A generation that went to school and walked back.

A generation that did their homework alone to get out asap to play in the street.

A generation that spent all their free time on the street.

A generation that played hide and seek when dark.

A generation that made mud cakes.

A generation that collected sports cards.

A generation that found, washed and sold empty coke bottles to the local grocery store for 5 cents each.

A generation that made paper toys with their bare hands.

A generation who bought vinyl albums to play on record players.

A generation that collected photos and albums of clippings.

A generation that played board games and cards on rainy days.

A generation whose TV went off at midnight after playing the National Anthem.

A generation that had parents who were there.

A generation that laughed under the covers in bed so parents didn't know we were still awake.

A generation that is passing and unfortunately will never return!!...

OUR MISSION STATEMENT

To have a good time while loving, restoring and preserving the Classic Chevrolet and other GM vehicles through 1987

THE ACTIVE MEMBER

Are you an active member? The kind that would be missed, or are you just contented that your name is on the list. Do you attend the meetings and mingle with the flock, or do you stay home and criticize and knock? Do you take an active part to help the work along, or are you satisfied to be the kind that "just belong?". Do you ever go to visit a member who is sick, or leave the work to just a few and talk about the clique? There's quite a program scheduled that I'm sure you've heard about. And we'll appreciate it if you'll come and help us out. So come to the meetings often and help us with work and hearts. Don't be just a member, but take an active part. Think this over member:

You know right from wrong.

Are you an ACTIVE member or do YOU just belong?

You are never too old to learn something stupid.
