A MESSAGE FROM OUR CLUB PRESIDENT

Welcome back from our summer break everyone.

I would love to say that fall is in the air, but with the 105-degree record that we had this week I can't. Let's all hope that this will be our last triple digit week of the season.

I sent out an email to everyone with the upcoming car shows and club events last week. I was hoping to help our members plan for the fall car scene in southern Arizona. Of course, I forgot a few, and didn't know about others. (Please add to it to your liking)

I would very much like to welcome our club's newest members, and their classic, to their new family in the Classic Chevy Club of Tucson. The new members who have joined in 2024 are, Stephen Lubliner and his 1966 Corvair; Steven & Mary Ignat and their 57 BelAir; Cameron Smith and his 84 Chevy C-20; Dan & Donna Hogerhuis and their 72 Nova SS & 71 Camaro; Matt & Suzanne Villella and their 70 Corvette; Shano & Marilou Sancibrian and their 70 Pontiac; Denny & Chally Kruse with their 62 Corvette. Welcome everyone!

I like to briefly review our recent "summer break" club events and thank everyone who were able to participate.

- June 14th-**Community Father's Day event at the Fellowship Square "Tucson" Sr. Living Facility**, with 11 classics participating. Everyone got an incredible free breakfast.
- June 22nd-**Rolling Thru Time Car Museum**, with 31 members/family showing up. Best museum in Tucson!!! **Rudy's Texan Bar-B-Q** for lunch afterwards.
- July 20th-**Scordato's Italian Restaurant**, with 24 members attending.
- August 25th-**Bowling Event at the Lucky Strike Bowling Alley**, with 22 members/family participating. **FREE** (your club paid for everything, including Pizza).

September 15th-**Cruise to Mount Lemmon & lunch at the Iron Door Restaurant**. We joined the Corvair Club on their club event. 22 members participated with 9 classics making the up-hill journey.

Our October 20th club event is a favorite of everyone. Club members Melisa & Tim Hadinger are opening up their home again this year for Mel's Drive-In. This is an amazing opportunity to enjoy an outdoor "Drive-In", like we all can remember. Our club will buy the main course, and each member is asked to bring a side dish to share. Everyone please; drive their classics! The email went out for this club event so please respond if you're interested in this classic club event.

Our November 10th club event is another fun event. It's our Annual Wine-tasting/Lunch Cruise to Sonoita/Elgin AZ. This year's vineyard will be the Wilhelm Family Vineyards. More information to follow!

Also, in November the CCCT will be the host car club for organizing the car show at the Southern AZ Children's Advocacy Center Balloon Glow. This event will be on November 23rd at the Rillito Racetrack. Of course we will need volunteers to help in parking the cars. More info to follow

Our last two club events will be in December. Our **29th Annual hosting of the Little Anthony's Diner Toy Drive Car Show** will be December 7, following on December 8th will be our clubs **Annual Holiday Party & Gift Exchange** at the Pinnacle Peak Steakhouse. More details to follow on both.

Again, welcome back everyone and enjoy the coming club events and car shows.

Best wishes, *Frank*

Rolling Through Time Auto Museum - June 22nd

Hosted by Anthony Warren

"On 6/22, the CCCT was given a private tour of the soon to open Rolling Thru Time Museum. 31 Members and family attended and were shown an impressive collection of automobiles, fire engines, tractors, bicycles, and much more. For those who couldn't attend, the tentative opening date to the public is July 11th and the museum is located at 4750 S Park Ave. The group followed up with a delicious BBQ lunch at Rudy's and made it home before the rain started. See everyone in July!"

A woman came up behind her husband while he was enjoying his morning coffee and slapped him on the back of the head.

"I found a piece of paper in your pants pocket with the name 'Marylou' written on it," she said, furious.

"You had better have an explanation."

"Calm down, honey," the man replied.

"Remember last week when I was at the dog track? That was the name of the dog I bet on."

The next morning, his wife snuck up on him and smacked him again.

"What was that for?" he complained.

"Your dog called last night."

15th Annual Apache County Motorsports Days

While enjoying the mountain top weather this summer at Show Low, we attended a car show 60 miles north in St. Johns with Gary and Shannon Smith. It was a small car event held at the St. Johns City Park on Aug 17th. Little over 24 vehicles participated, music, food vendors and a couple little girls walking around selling 'fresh baked' chocolate chip cookies.

Why doesn't Tarzan have a beard when he lives in the jungle without a razor?

Why do we press harder on a remote control when we know the batteries are flat?

Why do banks charge a fee on 'insufficient funds' when they know there is not enough?

Why do Kamikaze pilots wear helmets?

Why does someone believe you when you say there are four billion stars, but check when you say the paint is wet?

Whose idea was it to put an 'S' in the word 'lisp'?

What is the speed of darkness?

Why is it that people say they 'slept like a baby' when babies wake up every two hours?

If the temperature is zero outside today and it's going to be twice as cold tomorrow, how cold will it be?

How is it that we put man on the moon before we figured out it would be a good idea to put wheels on luggage?

Why do people pay to go up tall buildings and then put money in binoculars to look at things on the ground?

Did you ever stop and wonder...

Who was the first person to say, 'See that chicken there... I'm gonna eat the next thing that comes outta it's bum.'

Why is there a light in the fridge and not in the freezer?

Why do people point to their wrist when asking for the time, but don't point to their bum when they ask where the bathroom is?

Why does your Gynecologist leave the room when you get undressed if they are going to look up there anyway?

Why does Goofy stand erect while Pluto remains on all fours? They're both dogs!

This morning, I accidentally changed the GPS Voice to "Male." Now it just says, "It's around here somewhere. Keep driving."
