## A MESSAGE FROM OUR CLUB PRESIDENT

My deepest condolences to our club member Leonard Quihuis & his family. Leonard's youngest son passed away on October 16th. Julian lived in Concord CA., and would have been 30 next month. During this very difficult time, our prayers go out to Leonard and his family.

With this record breaking weather still in late October, we are all definitely ready for the heat to get behind us. This could be the last week of breaking records, so let's hope we get back to the reason why we all live in Tucson.

I would like to thank Tim and Melisa Hadinger for opening up their home for another relaxing Mel's Drive-In club event. On October 20th, 29 club members and family enjoyed a wonderful evening of great food and socializing. For the main event we watched a classic Alfred Hitchcock movie, Rear Window, outside "Drive-In style". May we have many more of Mel's Drive-In's, in the years to come.

Our November 10th club event, Run to the Vines is another fun event. It's our Annual Wine-tasting/ Lunch Cruise to Sonoita/Elgin AZ. This year's cruise we will be driving to the Autumn Sage Vineyard in Elgin. We decided to change our itinerary and cruise to a different destination vineyard. Thank you Jeri for searching for a new destination. Map Quest stated that our previous chosen vineyard had 2 1/2 miles of dirt road off the main highway to its parking lot. Not a great idea for most of us. We will still be meeting at the TTT Truck Stop off I-10 & Craycroft Rd at 10:00/10:15. We will then cruise to the Autumn Sage Vineyard at 10:30. After our wine-tasting we will return to Sonoita for a late lunch at the Copper Brothel Brewery at 1:30.

I like to congratulate our three club members who won a trophy at the Tucson Classics Car Show, at the Gregory School. Denny & Chally Kruse won 1st place in the Corvette Class, with their 1962 Corvette. Bill Myers won 2nd place in the Tri-Five class, with his 1955 BelAir. And a very surprised member, myself, won 3rd place in the Air-Cold Class, with my 1968 Corvair. Congratulations again to our clubs winners.

Please save the dates for our 29th annual hosting of the Little Anthony's Toy Drive Car Show on Nov. 30th, (New date) from 10-2pm. Please bring two unwrapped toys for our two charities. Also our clubs Annual Holiday Party & Gift Exchange will be on December 8 from 4:30-8:15pm, at the Pinnacle Peak Steakhouse.

Best wishes, *Frank*

The "Run to the Pines" is one of the largest classic car events in the state. On September 27th weekend Pinetop-Lakeside celebrated it's 40th year, showcasing primarily pre-1973 vehicles. There were 575 registered vehicles. This event attracts hundreds of car enthusiasts that participate in the "Cavalcade of Cars" road tour on Friday before the main show on Saturday.

Standing on the corner park is a cultural landmark and a must-see for anyone traveling Route 66. The park is famous for being the inspiration for the Eagles hit song "Take it Easy". The statue of "Easy" was created from a photo of Glenn Frey by sculptor Ron Adamson. The "Standing of the Corner Car Show" is always the same weekend as 'Run to the Pines'. This year we attended the 29th Annual 'Just Cruis'n Car Show' the following weekend October 5th. as spectators. Gary Smith attended the event and showed us around the town. Awesome show, over 200 cars, trucks and bikes on display on Kinsley (Old Route 66).

## Brother John's 4th Annual car, truck & bike show - October 12th

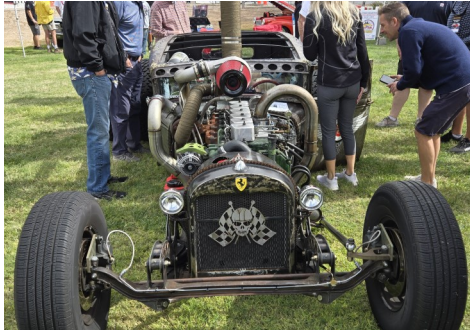

Jumping castle and face painting, vendors from jewelry to iron works, food from Brother John's truck outside and inside eating in restaurant. \$3.50 beers from Modelo girls, raffle gifts, silent auction, treat trucks of ice cream, kettle corn, bake goods, music from DJ Spear. 7 CCCT members were at the show.

## Tucson Classic Car Show - October 19th

The Tucson Classic Car Show at the Gregory School started out with cloudy sky and drizzles, then turned to hotter temperatures later in the afternoon. The show features 420 classic cars which included 10 members (Frank, Pat C, Dixons, Myers, Dave White, Denny & Chally, Phil & Kat, Jerry & Jeri, Ron & Jan and Tony). Congratulations to Denny & Chally Kruse, Bill Myers and Frank Pella for bringin home Awards in their classes. Thank you Pat C for your additional photos.

# Mel's Drive-In Event - Oct 20th

Thank you Hadinger's for a wonderful October club event. It was great seeing such a big turn out and your newly landscaped backyard was most certainly an area to entertain. The club provided the main dish 'chicken' all club members brought appetizers, side-dishes and desserts to share. Tim and Melisa provided popcorn and candy for Alfred Hitchcock thriller "Rear Window". It did turn chilly once the sunset, many were prepared with coats and blankets.

### Full stops can annoy Gen Z, warn linguists

Using full stops in texts and messages could offend or upset young people, linguists have warned. Teenagers and those in their early 20s – Generation Z – who have grown up using short messages to communicate can see the punctuation mark as a symbol of curt passive-aggression. Linguist Dr Lauren Fonteyn tweeted: "If you add that additional marker for completion, they will read something into it and it tends to be a falling intonation or negative tone."

Are you an active member? The kind that would be missed, or are you just contented that your name is on the list. Do you attend the meetings and mingle with the flock, or do you stay home and criticize and knock?

Do you take an active part to help the work along, or are you satisfied to be the kind that "just belong?". Do you ever go to visit a member who is sick, or leave the work to just a few and talk about the clique? There's quite a program scheduled that I'm sure you've heard about. And we'll appreciate it if you'll come and help us out. So come to the meetings often and help us with work and hearts. Don't be just a member, but take an active part. Think this over member:

You know right from wrong.

Are you an ACTIVE member or do YOU just belong?

Me yelling "REPRESENTATIVE!" to the automated customer service

MORNING CHUCKLE.....They weren't in my pockets. Suddenly I realized I must have left them in the car. Frantically, I headed for the parking lot. My husband has scolded me many times for leaving my keys in the car's ignition. He's afraid that the car could be stolen. As I looked around the parking lot, I realized he was right. The parking lot was empty. I immediately called the police. I gave them my location, confessed that I had left my keys in the car, and that it had been stolen.

Then, I made the most difficult call of all to my husband: "I left my keys in the car and it's been stolen."

There was a moment of silence. I thought the call had been disconnected, but then I heard his voice. "Are you kidding me?" he barked, "I dropped you off!"

Now it was my turn to be silent. Embarrassed, I said, "Well, come and get me."

He retorted, "I will; just as soon as I convince this cop that I didn't steal your damn car!"
