A note from your President

I hope everyone had a Turkey-full Thanksgiving. With just one month till Christmas, I like to wish everyone a happy and healthy holiday season.

Please don't forget about our Christmas Toy drive at Little Anthony's Diner on December 2nd. This will be our 28th year of hosting this great community event. There are two charities' being invited to benefit from this year's toy drive. I'm asking everyone, who will be attending, to please bring two unwrapped toys to stuff into two of our own members trucks. Like every year, each classic truck will have the name of the charity it is sponsoring on the truck's tailgate. The car show is from 10-2 pm. Please arrive between 9 and 9:15 to be able to park all together.

Of course, the very next day, December 3rd is our clubs Annual Holiday Party & Gift Exchange at the Pinnacle Peak Steakhouse on Tanque Verde Road. If you're attending, please RSVP Melisa Hadinger's party invitation email that was recently emailed to all our members. Don't forget to bring a wrapped gift so you will be able to participate in the gift exchange. This has always been a fun time for everyone. Our party starts at 5 pm.

Our clubs November event was going to be a cruise for a little wine tasting at Sonoita AZ in our classics. Well, the weather was thinking something different. We all still met at the TTT Truck Stop to start the cruise, but only six of us drove their classics. The rest, including myself, drove our everyday vehicles. 21 members enjoyed the cruise and yes, we did hit rain!

Don't forget that we do not have a December club meeting, the Holiday Party and Gift Exchange take's the place.

I hope to see everyone there.
Happy Holidays, Frank

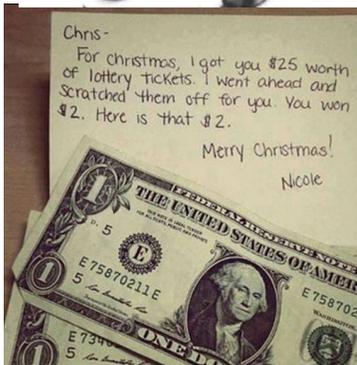

I suck at hiding gifts, an hour later I'd be like "You wanna see what I got you?"

Cops & Rodders - Nov 4th at the Kino Sports Complex

This year's show had only 4 pre-registered CCCT car's. The show lacked advertisement, many past classic car participants attended other car shows around town.

Truly Nolen's Veterans Day Toy Car Show - Nov 11th At the Truly Nolen Leadership Center on Williams Blvd.

We were lucky to coordinate with former CCCT member Ray Rico for the event. By 11am with 180 vehicles in the leadership parking lot, late arrivals were requested to park across the street. The attendance for this event brought in close to 200 vehicles, which also included 'low-rider bikes & remote cars'. The day was a perfect fall day, for spectators all day long. Show was free, but requested to bring toys to stuff in the Truly Nolen Limo.

Annual "Run to the Vines" Cruisin

Our 14th Annual 'Run to the Vines' Cruise turned out differently this year. It wasn't our normal classic cruise to Charron Vineyard, Vail and pizza at Velvet Elvis in Patagonia. This year a new winery tasting was at the Dos Cabezas WineWorks in Sonoita. Another hiccup was the night before text messages went out to various members asking if we want to drive our classics or normal vehicles due to the possible rain expected on Saturday. 21 members joined in this fun cruise, we had advanced ordered our pizza's and was surprised at the large portion that was served. Afterwards 14 members plus 2 guests ventured across the street to Copper Brothel Brewery for a beer.

Thank you Pat C. for the additional photos.

THE ACTIVE MEMBER

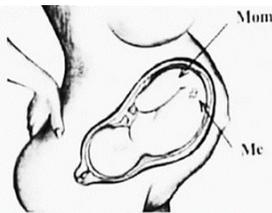

Are you an active member? The kind that would be missed, or are you just contented that your name is on the list. Do you attend the meetings and mingle with the flock, or do you stay home and criticize and knock? Do you take an active part to help the work along, or are you satisfied to be the kind that "just belong?". Do you ever go to visit a member who is sick, or leave the work to just a few and talk about the clique? There's quite a program scheduled that I'm sure you've heard about. And we'll appreciate it if you'll come and help us out. So come to the meetings often and help us with work and hearts. Don't be just a member, but take an active part. Think this over member: You know right from wrong.

Are you an ACTIVE member or do YOU just belong?

If I had spoken to my parents the way kids do nowadays, I wouldn't be here to post this.

TIPS ON HOW TO FALL ASLEEP IN A LIVING ROOM CHAIR:

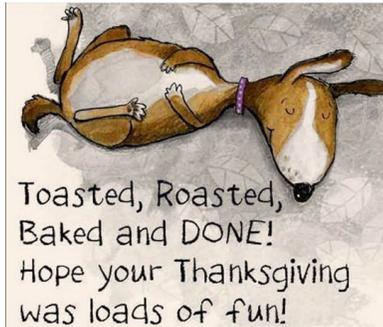

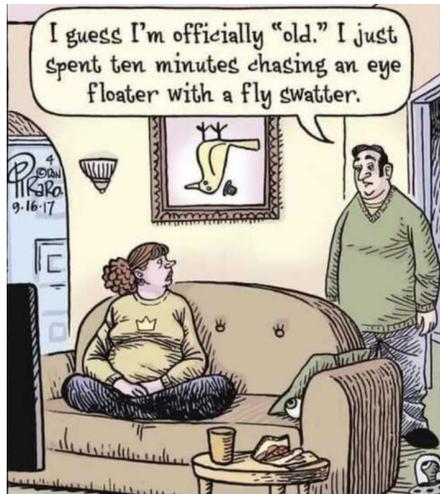

- 1. BE OLD
2. SIT IN A CHAIR

This is so amazing.. Did you know that your grandmother carried part of you inside her womb? But how? Well, a female fetus is born with all the eggs she will ever have in her lifetime. So when your Grandmother was carrying your Mother in her womb, you were a tiny egg in your Mother's ovaries. The three of you have been connected for a very long time Women are amazing!

At my age, I'm good at multitasking. I can listen, ignore & forget all at once.
