A man brings his best buddy home for dinner...unannounced at 7:30 pm after work.

His wife begins screaming at him and his friend just sits and listens.

Wife: "My hair and makeup are not done, the house is a mess, the dishes are not done, I'm still in my pajamas and I can't be bothered with cooking tonight! Why the hell did you bring him home?!"

Husband: "Because he's thinking of getting married and I promised him a demo!"

# A Message From Our President

Happy New Year CCCT!

May 2026 bring you; health, wealth, and many enjoyable miles ahead. I'd like to thank our club's wonderful VP, Steve Lubliner, for being acting President this month. He will be orchestrating our monthly club meeting on the 20<sup>th</sup> as well as leading the charge on our monthly event. As a reminder, on Saturday Jan 10<sup>th</sup>, our club will be visiting the Pima Air & Space Museum and receiving a special tour of the 390<sup>th</sup> Memorial Museum. Our tour will begin at 10A sharp, so let's arrive around 9:30 to park and take care of admission. After the tour, you can enjoy a nice lunch at the Flight Grill onsite, then wander the sprawling grounds and exhibits at your leisure.

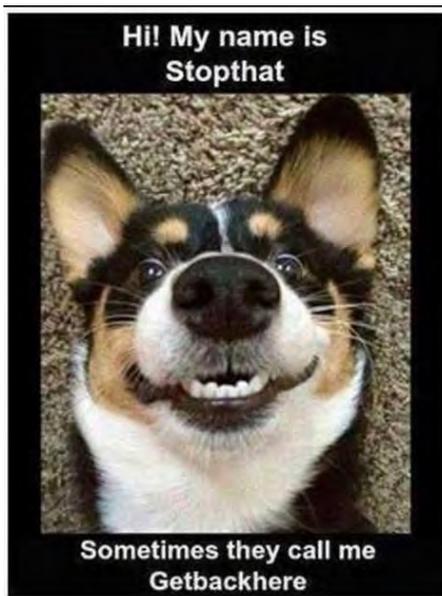

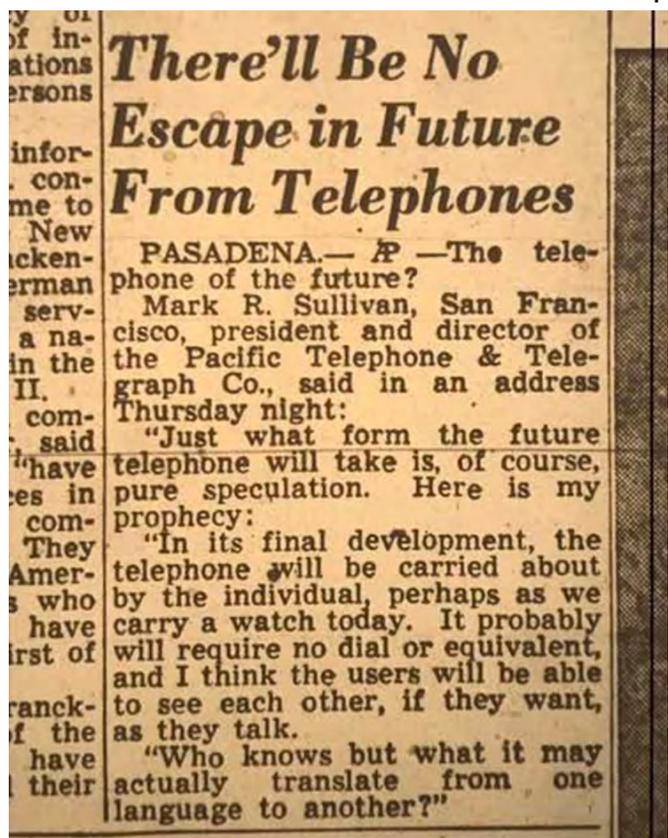

One bit of personal trivia- aside from classic cars, I am a maritime history buff and have always been fascinated by ocean liners, family immigration, etc... I am flying to England this month and sailing home on the world's last ocean liner- Cunard's *RMS Queen Mary 2*. It is an 8-day crossing of the North Atlantic which I am greatly looking forward to- pictures and stories to follow in February. (Picture of QM2 from a previous trip aboard last summer).

All my best,

-Anthony Warren, CCCT President

A 1953 News article warned us about the phones

Nothing refreshes my memory of what I need at the grocery store like coming home from the grocery store.

Just because you're going 5 miles over the speed limit doesn't mean you can drive in the left lane. Some of us are trying to break the law for real.

**THE ACTIVE MEMBER**

Are you an active member? The kind that would be missed, or are you just contented that your name is on the list. Do you attend the meetings and mingle with the flock, or do you stay home and criticize and knock? Do you take an active part to help the work along, or are you satisfied to be the kind that "just belong?". Do you ever go to visit a member who is sick, or leave the work to just a few and talk about the clique? There's quite a program scheduled that I'm sure you've heard about. And we'll appreciate it if you'll come and help us out. So come to the meetings often and help us with work and hearts. Don't be just a member, but take an active part. Think this over member:

You know right from wrong.

Are you an ACTIVE member or do YOU just belong?
