

THE SAND DOLLAR

THE OFFICIAL OCEAN COUNTY
COIN CLUB INC. NEWSLETTER

Issue No. 1 | May 2022 | Volume 1

The Sand Dollar has RETURNED!

The Sand Dollar is the official newsletter of the Ocean County Coin Club Inc. and for many years it was edited by our very own Jim Majoris. He did a fantastic job with it over the years. Jim was a very active member for over 40 years and his work brought joy to many of our members. It is with great pleasure that we are able to bring back our beloved periodical, The Sand Dollar. This newsletter will serve as a monthly periodical that will strive to provide our members with information on upcoming events, news, and interesting coin trivia and history. If you would like to contribute any coin history, articles, or information to the newsletter feel free to send an email to our new Sand Dollar editor Charles Pazmiño at pazmino2@gmail.com. He will be more than happy to go through the information and include it in a future issue of the newsletter. Also if you have any comments or questions related to any of the articles also feel free to reach out to Charles or any of the Club Officers.

50th Anniversary Commemorative Coins and Pins are here!

We are very pleased to announce that our club's 50th Anniversary Coins and Pins are in. The design celebrates our history and longevity; and they are beautiful! These are sure to be something every club member should have and something that NJ numismatists should want to include in their collections. Coins are \$10 and Pins are \$5 each. Each will be available at club meetings and future shows.

U.S. Mint Introduces New Quarter Program

The American Women Quarters Program is a four-year program that celebrates the accomplishments and contributions made by women to the development and history of our country. Beginning in 2022, and continuing through 2025, the U.S. Mint will issue up to five new reverse designs each year. The obverse of each coin will maintain a likeness of George Washington, but is different from the design used during the previous quarter program.

The American Women Quarters may feature contributions from a variety of fields, including, but not limited to, suffrage, civil rights, abolition, government, humanities, science, space, and the arts. The women honored will be from ethnically, racially, and geographically diverse backgrounds.

2022

Maya Angelou – celebrated writer, performer, and social activist

Dr. Sally Ride – physicist, astronaut, educator, and first American woman in space

Wilma Mankiller – first female principal chief of the Cherokee Nation

Nina Otero-Warren – a leader in New Mexico's suffrage movement and the first female superintendent of Santa Fe public schools

Anna May Wong – first Chinese American film star in Hollywood

2023

Bessie Coleman – first African American and first Native American woman pilot

Edith Kanaka'ole – indigenous Hawaiian composer, chanter, dancer, teacher, and entertainer

Eleanor Roosevelt – first lady, author, reformer, and leader

Jovita Idar – Mexican American journalist, activist, teacher, and suffragist

Maria Tallchief – America's first prima ballerina

What are your thoughts on the new quarter design? The new profile of George Washington was designed by Laura Gardin Fraser in 1931! Her design was ultimately not selected that year.
