## PRESIDENT'S LETTER

Greetings Guild Members,

What a Great February meeting!

First off, I want to give a great big Thanks to our Nominating Committee, Bonnie Magid, Kathie Hilton, and Lyla Wenneker! Second, Thank you to those that stepped up to volunteer. You are what keeps the guild going.

I heard the Skill Builder demonstrations were nice and several learned new skills. That's what it's all about and then heading home to try something new or a different way.

Great Show-n-Tell. Inspiring.

Several committees need Chairs: Hospitality, Education, and Quilt Scheduler. Volunteers are needed for these positions.

Our next Donation Quilt is going to look nice. Thank you to those that made a block for the quilt. Appreciation is extended to Sue Glick and Kay Hardy for keeping this organized.

*Until March Keep Stitching.*

# MEET OUR GUILD SPONSOR

Hi, I am **LaDonyce Hamilton**. My husband Mark and I own the Red Barn Retreat and *LaLa's Quilt Shoppe* in Coldspring, Texas.

I have been sewing since I was a young girl. I was in 4-H and won a blue ribbon on my dress, at my very first sewing competition, when I was 9 years old. I continued sewing all through school. I graduated from Texas Tech University with a degree in Home Economics. While at Tech, I worked as a costume designer and seamstress in the theater arts department. I later made my wedding gown and then continued to sew for my family over the years. I began quilting in 2006-2007 and haven't stopped since!

In 2011, we moved from Texarkana, Texas to this area. In 2014 we purchased the Red Barn Retreat and have been hosting quilting and scrapbooking retreats since then.

Last year we opened LaLa's quilt shop on September 6, 2023, in Coldspring. We are excited to be taking on this new adventure! We carry a wide variety of fabrics, including, Moda, Ruby Star Society, Bella Solids, Grunge, Free Spirit including Tula Pink and Kaffe Fasset, and Shadow Play. We also have a wonderful line of Batik Textiles fabrics as well as many others. There is a variety of thread, notions, books and patterns, and machine embroidery supplies as well.

## **We are a Janome authorized dealer.**

Mark is currently able to clean and service sewing machines and will soon be an authorized Janome service technician.

I also have a computerized Innova longarm and provide edge 2 edge quilting services.

We are planning to start offering classes, including a beginner quilting class and classes for various other quilting techniques starting in the Spring. I am a Certified Teacher of Shannon Brinkley's Scrappy Applique and Color Confidence for Quilters programs. LaLa's will be planning classes for both programs, as well as English Paper Piecing, 2 Fabric Bargello, and others. The classes will be held at the Red Barn Retreat. Also, be on the lookout for some fun Block of the Month programs coming later this year.

***As the LPQG Shoppe sponsor, I offer a 10% discount on most items in the store (some exclusions apply) to Guild members. Be sure and remind me you are with the LPQG when you come in. I carry white and cream or natural fabric for the guild projects such as the Block of the month. LaLa's will be donating door prizes periodically during the year and offers a generous discount on the Guilds fabric for the donation quilt.***

I hope you have a chance to stop by soon and take a look at all the fun new items we have in stock. Also, ***look for the LaLa's Quilt Shoppe booth at our upcoming Quilt show!***

## 2023 Livingston Piecemakers UFO Challenge

List up to 12 separate items, or projects you would like to complete each month. Be as specific as possible. (Example — put binding on Valentine wall hanging, complete one trippy star block, organize scraps by color).

We will be going in order by month so you can put items, tasks or projects in a specific order.

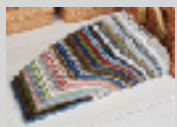

Bring your completed item for the month to be checked in. Your name will be entered into a drawing for prizes at the end of the year. Items may only be turned in the day of our LPQG meeting for credit (by person or email). If a month's meeting is cancelled multiple items will be due the following month. The more months complete the more chances you have at the end of year to win a prize!

Turn your form into Karen Godfrey (713-504-3613 or [karengodfrey52@gmail.com](mailto:karengodfrey52@gmail.com)) at our February meeting.

Rodeo is a sport that grew out of the cattle industry in the American West. Its roots reach back to the sixteenth century. The Spanish conquistadors and Spanish-Mexican settlers played a key role in the origin of rodeo with the introduction and propagation of horses and cattle in the Southwest. It was originally based on the skills required of the working vaqueros and later, cowboys, in what today is the western United States, western Canada, and northern Mexico. Today, it is a sporting event that involves horses and other livestock, designed to test the skill and speed of the cowboys and cowgirls.

American-style professional rodeos generally comprise the following events: tie-down roping, team roping, steer wrestling, saddle bronc riding, bareback bronc riding, bull riding and barrel racing. The events are divided into two basic categories: the rough stock events and the timed events. Depending on sanctioning organization and region, other events such as breakaway roping, goat tying, and pole bending may also be a part of some rodeos. The "world's first public cowboy contest" was held on July 4, 1883, in Pecos, Texas, between cattle driver Trav Windham and roper Morg Livingston.

In the United States, professional rodeos are governed and sanctioned by the Professional Rodeo Cowboys Association (PRCA) and Women's Professional Rodeo Association (WPRA), while other associations govern assorted children's, high school, collegiate, and other amateur or semi-professional rodeos. The traditional season for competitive rodeo runs from spring through fall, while the modern professional rodeo circuit runs longer, and concludes with the PRCA National Finals Rodeo (NFR) in Las Vegas, Nevada, currently held every December.[3]

In January 1932, Sartwelle invited six other businessmen to a lunch at the Texas State Hotel. They decided to host a livestock exposition in Houston. Sartwelle was named the first president of the new Houston Fat Stock Show. Their inaugural event was held in late April 1932 at Sam Houston Hall in downtown Houston. It's become bigger and better every year. Rodeo season starts in Texas in January at the Ft. Worth stock yards and is now in San Antonio and will be in Houston on February 28 - March 18th. # QUILT SHOW Report

LPQG | 13 February 2023

## Dear Guild Members,

Many hands make light work. The planning is going good. Everything is falling into place. We are in need of about 15-20 more quilts. Send myself, Debbie Cox, or Donna Garland the entry form along with a picture. The original entry form, picture, and fee is due at the March meeting.

I am filling in the floor plan for the show. We have 70 plus quilts right now. Don't forget to work on finishing up your mini quilt and gift basket to donate. The Boutique is always looking for items. These things benefit our guild. I should have a volunteer list of things that can be helped with at the March meeting. Thanks ladies.

*Jammie Ackley*, President

If you signed up for secret pals, be sure to acknowledge your new pal by bringing a small gift to the guild meetings or at least send a thinking of you note monthly.

1

Draw a diagonal line on the wrong side.

Sew  $\frac{1}{4}$ " on each side of the line.

*History in the Making*

Beginning on January 5th and running through April 29, are Red Work: The Collection of Rosie deLeon-McCraday (sponsored by the Lucille Gaebler Klein Fund); Places: A Celebration of the Human Hand...Works by Marilyn Henrion; and International Quilt Festival Prizewinners 2022.

Red Work: The Collection of Rosie deLeon-McCraday will feature 41 items including quilts, table runners, towels, and pillows. According to Museum Curator Vicki Mangum, Redwork embroidery became popular in the 1800's when the dyeing process for Turkey Red Thread developed with colorfast techniques.

Rosie deLeon-McCraday fell in love with the technique early on and began collecting antique and modern versions of the Redwork embroidery found in quilts. You will see quilts completed in the last quarter of the 19th century as well as her most recently designed and quilted quilt from 2022. We will also have several of Rosie's Redwork patterns/designs for sale in the TQM store.
