## PRESIDENT'S LETTER

Greetings Guild Members,

Thanks to Karen for bringing Roberta Burton in to give the presentation on Marbleizing Fabric. Interesting. I may read and try some ten inch squares to make at least one project. I enjoyed hearing about her frugal ways to construct her "combs". It's always nice to see and hear what others do.

It would be nice to see some others faces that have been missing but it is also GREAT to have and see new visitors and new members.

Thanks to all the volunteers that keep this guild going. Our guild exists because of each helping hand!

Start narrowing down your selections for your quilt show entries. Entry forms are being accepted now. I am getting my feet wet with the organizing of the quilt show. April will be here before we know it.

Remember we will have guests next month to honor for their service. Bring food that does not require the stove or microwave. I'm going to try a couple of new to me finger foods. Great thanks to all who have worked on getting this Quilt of Honor program to this point.

It was nice to see the Donation Quilt held for pictures. Let's meet our goal of \$3000 profit with the tickets sales. It will make its debut at Hometown Christmas on December 10th!

Hope to see you at 5th Monday sew day.

Till next month, let's keep working on our projects.

*Keep Sewing.

## **1st Vice President - Programs, Karen Godfrey**

The October guest speaker Roberta Burton brought us a wonderful presentation on "Marbling.." Many ideas on how to use this art form in our quilting . Hopefully we can have a workshop on this in the near future. If you are interested let me know and I will try and get us a day to do marbling.

Marbleizing basics can be found at this site:

<https://www.dharmatrading.com/techniques/marbling-instructions.html>

Our November meeting is our Quilt of Honor. Remember everyone is asked to bring finger foods. Bonnie mention we are presenting 25 quilts. So she is predicting around 125 attendees. If you have any questions contact Bonnie Walker.

Our December meeting is our Christmas party. We will have a homemade Christmas ornament exchange and our 20 to 25 dollar gift exchange. The Christmas exchange gift needs to be sewing related.

Finally, our January meeting will be a baby shower for the pregnancy center. Each of us are to bring items for babies such as diapers, bottles, pacifiers, onesies, etc...

Our UFO for this month is number 7.

Today's program was a talk on Marbleizing on Fabric presented by Roberta Burton. She gave a short history of marbling which started in the book-binding industry probably in Japan in the 12<sup>th</sup> century and moved into Persia and Turkey. It was done in Europe in the 16<sup>th</sup> century, primarily in Holland and western Europe until the 19<sup>th</sup> century when England started marbling. There was a resurgence of marbling in the late 1970s-80s. Roberta saw a demonstration on marbling, and as an Art major in college decided to try it. Your fabric must be treated with alum before marbling so it will absorb the paint, although a PFD (Prepared Fabric for Dying) is now sold. A container is filled with water thickened with carrageenan or “marble dust” and paint is mixed to a very liquid consistency. Paint is dropped onto the surface of the water, then using tools such as combs or picks or forks the paint is

# Minutes

LPQG | 10 October 2022

swirled into a design – usually only 2 or 3 colors plus a white or black. Fabric is laid onto the paint which “floats” on the water, then is removed and rinsed. Karen Godfrey has a couple of books in her collection Marbling on Fabrics and Marbling Fabrics for Quilts. Supplies are carried at [dharma trading.com](http://dharma trading.com), also [earthguild.com](http://earthguild.com). Roberta had many examples of fabrics she has marbled.
