PRESIDENT'S MESSAGE

I feel like I survived the meeting with so many out sick or cold. It was a nice meeting with lots of food and friends. It is getting so close to the end of the year and I'm starting to feel the pressure of getting ready for Christmas. Truthfully, I can't wait to decorate and prepare. I have two new Christmas Quilts that I have to find just the right spot for. This has always been my favorite Holiday.

In the meantime, I hope your Thanksgiving is filled with family, friends and laughter. Cook good food to share and relax.

Our December Meeting will be our Christmas Party. We will exchange gifts, play Bingo and have a Pot Luck. See you then!

F.A.I.T.H. Military Support

Hello everyone,

This month we received lip balm, toiletries and Christmas cards from three people. Thank you for the donations! Christmas is fast approaching. Christmas packing will be December 6, 2025 8:30 –11:00am at Livingston Physical Therapy parking lot. Many hands make quick work. It's a fun time so mark your calendars. Packing is before our next meeting so if you would like to donate, drop items at Livingston Physical Therapy. Small individual wrapped items are needed! Thanks again for all you do to support our active duty soldiers!

Sew on and sew forth my friends!

Our speaker for the November guild meeting was Rev. Billy Graff. He spoke about what Camp Hope is all about. Below is some information from their website. The camp is located in Houston, Texas.

— Camp Hope is a six-nine-month interim housing program located in Houston, Texas. We aim to relieve the effects of combat trauma through a whole-person approach. Its solution is to provide peer support, mentor programs, and professional development for America's warriors and their families. There is no cost for the veteran or their families. The Veterans also have sessions with Licensed Healthcare professionals weekly. There is no other location like it in the United States; to date, 44% of the Veterans have graduated from the Camp Hope program.

The Facility opened in 2012 and is in a quiet and safe setting in Houston, Texas. Residents attend group lessons and support sessions with other combat veterans. They are provided with individual mentoring sessions with certified combat trauma mentors. Participants can also go on off-site small group interaction activities trips, such as camping, fishing, sporting events, and more. Many are encouraged to get involved with local churches, businesses, and volunteer organizations to assist in their personal healing and educate the community on the invisible wounds of war. — <https://ptsdusa.org/>

There are different ways to bring names to my attention: email, phone call, text, or just come up to me at one of our guild meetings.

Please **do not** include your reports as a reply to an email. They tend to get lost that way. Send directly to me at the email address. Please **do not** use Facebook, Facebook Messenger, or Texting. Using other methods other than email makes it difficult not to mention time consuming to search for everything from everyone for the newsletter. Your cooperation is truly appreciated.
