PRESIDENT'S MESSAGE

Hi Fellow Quilters –

I really enjoyed the August Meeting. I would like to Thank you for the Birthday Cake and Song. I have never had that before so it was special to me.

We have a lot to look forward to this fall. Our September Meeting is going to be a lot of fun. We will have our regular Meeting and then adjourn to enjoy lunch with friends, reveal our September Challenge, and pull the winning ticket for our 2025 Donation Quilt. This will be followed by games, Demonstrations, raffles and whatever you bring to do. Remember your electric cords for sewing machines and your lunch!

Our next event is the Bus Trip to Houston International Quilt Festival on October 10th. Please sign up with Donna Garland by September 1st so we have a head count. It was a great trip last year and you can invite friends. Call Donna or me with any questions.

Looking forward to seeing everyone in September!

5th Monday Workshop — Sept 29th

Learn to make fidget quilts for Charity

The purpose is to provide a blanket made of different washable and dryable bright tactile fabrics (no black), such as terry cloth, fleece, corduroy, satin, Minky, velvet, denim, etc., cut into 6-1/2", 7-1/2" or 8-1/2" squares or rectangles sewn into a small quilt top, layered with batting and a backing, quilted and decorated.

We will make three kinds of fidgets for:

- 1) autistic children
- 2) adult men
- 3) adult women

Measurements are approximately 18" X 20" (more or less is ok). A fat quarter can be used for the back.

IMPORTANT:

All decorations must be very **securely sewn** into the fidget and **everything faces the patient's tummy**, not out toward the knees.

Kits will be provided, or you can bring your own items to complete the fidgets. The kits will contain materials to make: 1) fidget foundations, squares, batting, and backing, 2) zippers, 3) pockets,

4) beads and strings, and other items, depending upon what you want to make, as well as complete kits.

What to Bring to the Workshop:

Sewing Machine
 Extension Cord
 Sewing Supplies (pins, clips, scissors, thread (no black), etc.
 Zipper Foot for sewing zippers.
 Ruler
 Marking tool for quilting

Foundation — Sew together the squares or rectangles in rows, so they fit onto the batting and backing, about 18" X 20". Quilt the foundation.

Decoration — *Beads* – string about 7 beads onto a boot string; sew one end of a boot string about 2" from the left top seam and the other boot string end into the left side seam, so the beads and boot string hang loose enough to play with the beads.

Pockets with hankies – Cut a pocket about 5", fold down the top about 1/2", and sew. Securely sew one end of a shoestring onto the right side seam, about 1" from where the top of the pocket will be. Sew the "bottom" of the pocket into the foundation top seam (remember the "top" open side of the pocket faces the patient); sew the right side of the pocket into the seam and the pocket left side onto the foundation. Securely sew one corner of the hankie to the loose shoestring, fold the hankie and place it in the pocket. A lot of pulling and folding will happen on this pocket.

Other decorations — will be demonstrated and I will have examples.

Please contact Bonnie Magid, redfibers4@gmail.com, if you have any questions. Thank you for your support!
