## PRESIDENT'S MESSAGE

Hi Fellow Quilters –

I can't help but smile when I think of our September Meeting. The first thought that comes to mind is that everyone was walking around with Tootsie Rolls in their mouths when I looked around, laughing and smiling! It was great to change up our meeting. We had a short meeting and then moved to having fun. Everywhere I looked people were engaged in a game or a demonstration. We were able to move around and see what each other was working on and talk to people we don't always get a chance to. This break out type of meeting would be a great tradition to start and do again next September!

This year as a guild, we have been moving more toward learning and having great speakers. This should be our focus. We can stay at the church on Mondays after our meeting and have sewing time with our friends as well as taking advantage of Fifth Monday Workshops. We have so many talented members that could teach us skills as shown in our demonstrations at Cho Yeh. If you have a skill that you would like to share, please ask to do so.

I hope everyone gets a chance to attend the International Quilt Festival. The quilts and artistry you will see there is amazing and motivating. The bus trip will give us a chance to experience it.

Have a great September! Put out your pumpkins and fall décor and I hope to see everyone at the October Meeting.

*Vicki Wooddell*, President

### **5<sup>th</sup> Monday Workshop — Sept 29th**

#### **Learn to make fidget quilts for Charity**

**The purpose** is to provide a blanket made of different washable and dryable bright tactile fabrics (no black), such as terry cloth, fleece, corduroy, satin, Minky, velvet, denim, etc., cut into 6-1/2", 7-1/2" or 8-1/2" squares or rectangles sewn into a small quilt top, layered with batting and a backing, quilted and decorated.

We will make three kinds of fidgets for:

- 1) autistic children
- 2) adult men
- 3) adult women

Measurements are approximately 18" X 20" (more or less is ok). A fat quarter can be used for the back.

#### **IMPORTANT:**

All decorations must be very **securely sewn** into the fidget and **everything faces the patient's tummy**, not out toward the knees.

**Kits will be provided, or you can bring your own** items to complete the fidgets. The kits will contain materials to make: 1) fidget foundations, squares, batting, and backing, 2) zippers, 3) pockets,

4) beads and strings, and other items, depending upon what you want to make, as well as complete kits.

#### **What to Bring to the Workshop:**

Sewing Machine  
 Extension Cord  
 Sewing Supplies (pins, clips, scissors, thread (no black), etc.  
 Zipper Foot for sewing zippers.  
 Ruler  
 Marking tool for quilting

***Foundation*** — Sew together the squares or rectangles in rows, so they fit onto the batting and backing, about 18" X 20". Quilt the foundation.

***Decoration — Beads*** — string about 7 beads onto a boot string; sew one end of a boot string about 2" from the left top seam and the other boot string end into the left side seam, so the beads and boot string hang loose enough to play with the beads.

***Pockets with hankies*** — Cut a pocket about 5", fold down the top about 1/2", and sew. Securely sew one end of a shoestring onto the right side seam, about 1" from where the top of the pocket will be. Sew the "bottom" of the pocket into the foundation top seam (remember the "top" open side of the pocket faces the patient); sew the right side of the pocket into the seam and the pocket left side onto the foundation. Securely sew one corner of the hankie to the loose shoestring, fold the hankie and place it in the pocket. A lot of pulling and folding will happen on this pocket.

**Other decorations** — will be demonstrated and I will have examples.

Please contact Bonnie Magid, [redfibers4@gmail.com](mailto:redfibers4@gmail.com), if you have any questions. Thank you for your support!
