

Redlands Bonsai Society welcomes ALL to enjoy

Hugh Grant – Tree Makers Design

Hugh is one of Australia's leading professional bonsai artists and educators, located in the Upper Blue Mountains of NSW. There he operates Tree Makers Design, a garden and school focusing on local interpretations of Bonsai.

Studying under Ryan Neil (Bonsai Mirai), he was exposed Hugh to American Native and classic bonsai species in both classic and locally derived interpretations. Naturally this perspective leads Hugh to practice bonsai using species local to his area or similar. Hugh believes that using local trees draws him closer to the true expression of bonsai as a practice because it connects us to that which is familiar and available.

Hugh now functions as a full time bonsai professional, teaching and working with clients and their bonsai locally, nationally and abroad.
