Marija Hajdić

Croatian Bonsai Artist & Educator

Meleda Bonsai Studio – Dicmo, Croatia

With over 20 years of experience, Marija is known for her refined work with deciduous yamadori and broadleaf trees, and is considered one of the most influential bonsai artists outside of Japan.

She has trained under renowned artists like Walter Pall and runs Meleda Bonsai Studio.

Her personal collection features over 100 hand collected yamadori trees. Marija has exhibited regularly at The Trophy (Belgium) since 2011 and held solo shows in Germany and Croatia.
