

**WELCOME TO ETHICAL CLARITY
SALES REPRESENTATIVE -
SELLING PRODUCTS WITH PURPOSE**

Do you know anyone within your friends or family who is blind or DisABLED?

Would you like to help them earn their own money by working with us as a local sales representative?

We offer full training, marketing materials, samples, uniform and uncapped earnings whilst ensuring that every representative's well-being is at the heart of the role.

Our representatives work when they want and for how long, it may be face to face in their local area or working at home through their family and friends network over the phone.

Our representatives can sell at product parties, local events, at presentations or simply through Facebook and other social media channels. It is a great way to meet new people.

But most importantly representatives share our passion in showing society that being DisABLED does not mean you are unable to work.

If you would like to find out more please contact us on sales@ethicalclarity.org or call our Freephone number 0800 8048625
