If you provide me your availability after the call in date, your assignments may be limited. You will be assigned from games that have not been assigned yet or games that are refused as the other umpires received their assignments.

If you do not provide me your availability, the assumption is that you are not taking assignments for that period. To leave your availability, email me @ ajlouie@comcast.net. or text me on 415.350.8788. It's best to email.

DO NOT LEAVE YOUR AVAILABILITY ON MY CELL PHONE!!!

Please be clear and concise when you leave your availability on the voice mail.

You do not need to call in your dates more than once. If you want to verify that I have gotten your message, please call or email me.

If you have a preference to work at certain parks, tell me when you provide your availability. If you do limit yourself to certain ballparks, please realize that you may be restricting yourself to certain levels of play.
