

## **Lang #1**

(Playing Field located nearest Turk Street Entrance)

Backstop: All areas are in play.

Third Base Side: \* Into the third base dugout area. \* Into soccer and/or lacrosse nets on hill. (If no obstruction present, all areas of hill are in play.)

Left field: All areas are in play.

Center field: \* Through either opening into or behind the dugout area on Lang #2 is a four-base award. (All other areas within the Playing Field on Lang #2 are in play.)

Right field: \* A fair fly over this fence to the right of the Marked Fence Pole (MFP) is two-bases in Open and Co-Ed Slow Pitch for a "Male". For a "Female", this is a home run. A ball directly over the MFP is a home run.

First Base Side: \* Over an imaginary out-of-play line from the end of the first base dugout fence straight to the outfield fence on Golden Gate Ave.

## **Lang #2**

(Playing Field furthest from the Clubhouse, Gough & Golden Avenue)

Backstop: All areas are in play.

Third Base Side: \* Into the third base dugout area. \* Over an imaginary 90-degree line from the end of the third base dugout fence to the Golden Gate Avenue fence.

Left field: \* Behind any utility equipment or soccer netting. \* Through the Main Gate.

Center field: \* Through either opening into or behind the dugout area on Lang #1 is a four-base award. (All other areas within the Playing Field on Lang #1 are in play).

Right field: \* A fair fly over this fence to the right of the Marked Fence Pole (MFP) is two-bases in Open and Co-Ed Slow Pitch for a "Male". For a "Female", this is a home run. A ball directly over the MFP is a home run.

First Base Side: \* Over an imaginary out-of-play line from the end of the first base dugout fence diagonal to the padded Light Tower. (This Light Tower is therefore in play).

Overhanging Trees: see General Rules 10 and 11.
