Description

PRICE REDUCTION!! NEWLY RENOVATED !!! Do not miss this spectacular home! This beautiful home boasts 3 bedrooms with 3 private baths and a powder room. Nearly all of the home has been updated with quality fixtures to bring a touch of modern and natural light. The kitchen well appointed, new stainless steel appliances with beautiful custom cabinetry. Enjoy the sunny eat-in breakfast area adjoining the kitchen and the family room with bright recessed lighting. The upper floor hosts 3 wonderfully sized bedrooms with private bathrooms and 9+ ceilings!! Main and Top floors fantastically laid out with Hardwood. The wonderfully laid out basement includes full laundry room, plenty of storage windows for natural light. The exterior yard creates a peaceful greenery with walkway and newly built Pergola. The updated front and rear landscaping coupled with expansive driveway allows +4 cars for private parking. The picturesque yard and gorgeous home is located in the coveted Kensington area, with
