Q & A

When thinking about joining a Riding Club, you may have many questions, so please read through this entire page, you just may find the answers you seek.

Q: What does New Order of the North and South stand for?

A: We are a group of Brothers and Sisters that have come together from different walks of life, Some of us are from the Northern US states, and some of us are from the Southern US states, some of us from the MC world and some not, to put it plainly, we come from all over this great land and country. We are Brothers and Sisters who share a like-minded dream, to belong to a motorcycle riding club that we also consider Family. We love all our Brothers and Sisters as if they were part of our own Blood Family, our dream was to create something New and Exciting to Belong and Bond with like-minded individuals who share the same interests as we do.

Q: Why do we not have different State Chapters or Charters?

A: We have found that if you have too many chiefs in charge, The rules of our RC tend to change, break or become misused. So we the Founding Fathers have decided to install only one National Office that way any and all problems, decisions and club business would always be handled fairly, accordingly, and most important of all unbiased, for the better and best interest of our club, and our Brothers and Sisters. Our theory of one National office making all club decisions, guarantees the strength and unity of all our patched members.

Q: Why should I join the New Order of the North and South RC?

A: If you love the old school biker lifestyle and do not wish to follow the political aspects of the MC world, and just want to ride your motorcycle in a free and open environment, by sharing the road with other like-minded individuals who are loyal, honest and have a yearning to be a part of an ever growing brotherhood and family, then maybe it is by no chance you have found us here at the New Order.

Q: Does the New Order of the North and South RC have monthly dues?

A: No, a one time fee guarantees you a lifetime membership. This fee is in lieu of dues. It does not purchase a back patch. A back patch will be presented to you by a National Member or a designated Patched Member, but will remain the property of N.O.N.S. All we ask of you is your help in promoting our cause and to extend your hand in friendship to all who choose to ride on two wheels.

Q: Do I have to ride my motorcycle a certain amount of miles each season to join or be a part of the New Order?

A: No but you must own a motorcycle and willingly want to be a part of the motorcycle community, be active and participate in your local rides, rallies, and events, post your photos on our National Website for all to share and most importantly show Respect to all other clubs and those who choose to ride.
