**"Pray without ceasing."**  
(1 Thessalonians 5:17)

My mother was a true prayer warrior. Through her faith and steadfast trust in God, she showed me that God truly does answer prayer. Her example impressed upon me the importance of continual prayer in every season.

As we move forward and do some things a little differently than we have in the past, I ask that you please keep the Board in your prayers. We deeply cherish your support and look forward to continuing to work and worship alongside each of you.

Dear Community,

Nick Morris will be serving as our men's walk Lay Director (#119) and Kelly Shannon as the women's walk (#120) Lay Director. They have been working hard putting together the conference room teams. Our team trainings will be starting soon. It is this teams' responsibility first and foremost to be in prayer for the walks and each training session. Not only is it an honor to serve on the conference room team, but it is also a time for spiritual growth as the body of Christ. Many close friendships have been forged in the time spent in these training rooms and time serving on the walks. When we show love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self control to one another the pilgrims will see it too. I encourage each team member to be present at each training. The sacrifice you give of yourself, and time will surely be used for God's glory. Let Him work through you on Walk #119 and #120!

The hands and feet team is just as important to the walk as the conference room team. It takes all of us serving in our capacities to help make the Emmaus Walk a life changing experience for others. We do our part.... Holy Spirit does His part. If you would like to serve on our hands and feet team, please complete an application on our website [crosspointemmaus.org](http://crosspointemmaus.org) or print a form, complete and mail to me (address is located on the form).

Please keep our teams in prayer as we prepare for the upcoming walks.

Nick Morris, Cross Point Walk to Emmaus #79, Table of Luke. I would like to introduce myself as the Men's Lay Director for Walk #119. We just had our first training, and we are all excited to see what this walk has in store not only for the pilgrims but for all those serving. Every year that I have had the privilege to serve on a walk, God has shown himself to me in many ways. You see, my problem is that I am a busy man. I am busy with work, my children's activities, meetings, honey-dos, and so much more. I have a problem sitting still and listening. This is something I am praying about and working on. That's why I love serving on the walk in whatever capacity. It forces me to stop and listen, to fellowship with like minded men, to see us work through our struggles and grow in Christ together.

I have chosen the verse Psalm 46:10 "Be still and know that I am God." for the men's walk. This verse is one of the first verses I was told to look up when I first became a Christian. And over the past 16 years, I have to continuously remind myself. Being a pilgrim on the walk is an amazing one-time experience. Being involved is where the magic happens. So, if you are reading this, that means you have been on the walk. Please get involved and experience what God has in store for you. Then pray about sponsoring someone to be a pilgrim and have God meet them where they are.

Hi Emmaus Friends!

It's hard to believe that the inside team training has begun on Walks #119 and #120. The Lord moved people to submit applications and I'm trusting His guidance in placement of volunteers for both the inside and outside teams. After my Walk #56 in 2004, I worked as a Cabin Angel, and I was amazed at all of the work done behind the scenes! Both the inside and outside teams are very intent on praying for the pilgrims and doing everything possible to make the walks special for the pilgrims. Prayer, communion, and cooperation is such a big part of being on an Emmaus team. Please consider volunteering for the outside team. Applications can be submitted online at [Crosspointemmaus.org](http://Crosspointemmaus.org).

He will truly bless you in your servanthood.

## Clergy Corner:

### It began in the heart of God

Luke 24: 32

They said to each other, “Did not our hearts burn within us while he talked to us on the road, while he opened to us the Scriptures?

Nothing about our Walk began on Thursday night, it began in the heart of God, who has always been pursuing us. God had been preparing us for that very moment, but something shifted, maybe quietly, maybe dramatically, but it changed the way we recognized Jesus.

For many of us, the Walk to Emmaus was like the two disciples on the Emmaus road. They didn't realize it at first, but their hearts were already burning long before their eyes were opened. God was moving long before our walk, He was arranging conversations, stirring hunger, protecting us, and drawing us toward Himself and we relaxed and trusted God.

As we approach the upcoming walks God has already been working in the pilgrims' lives and like us the pilgrims are experiencing everyday life, that often keeps us from recognizing Jesus. We've seen, we've heard, but the things of life often blur our faith, but we have our reunion groups to support us, to gather around us, but most pilgrims do not. God is preparing pilgrims at this moment, and each pilgrim needs you to come alongside them in prayer, that they be strengthened and that their hearts be burning as God is preparing them.

## On the Road to Emmaus

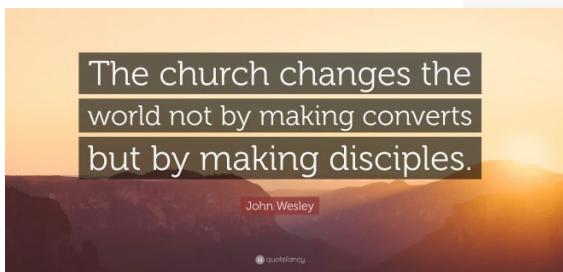

13 Now that same day two of them were going to a village called Emmaus, about seven miles from Jerusalem. 14 They were talking with each other about everything that had happened. 15 As they talked and discussed these things with each other, Jesus himself came up and walked along with them; 16 but they were kept from recognizing him.

28 As they approached the village to which they were going, Jesus continued on as if he were going farther. 29 But they urged him strongly, "Stay with us, for it is nearly evening; the day is almost over." So he went in to stay with them. 30 When he was at the table with them, he took bread, gave thanks, broke it and began to give it to them. 31 Then their eyes were opened and they recognized him, and he disappeared from their sight. 32 They asked each other, "Were not our hearts burning within us while he talked with us on the road and opened the Scriptures to us?"
