About Us

- u PAMCO Care is dedicated to helping our clients lead independent, dignified lifestyles in the safety and comfort of a home environment, while providing the best care possible.
- u **Our Mission**
- u PAMCO Care's mission is to encourage individuals with mild to moderate Intellectual Disabilities / Mental Illness to live their lives to the fullest potential; to assist them with the necessary training and support to function to the best of their abilities; to attain self-actualization; to boost the confidence of the individuals; to provide for their physiological needs, safety and security; to provide the friendship that will meet their needs for love and belonging; to empower the individuals to reach their goals and learn to make good choices; and to integrate each individual into the community.
- u **Our Philosophy**
- u PAMCO Care will treat each individual as we would like to be treated, will lead by example in our residential setting and will motivate our individuals to reach their highest potential. We will strive for optimum productivity and efficiency in our jobs with hands-on management and attention to detail using a team approach. We are dedicated to improving the quality of life for adults with Intellectual Disabilities by providing a safe living environment and access to integrated life choices. We will look to the future with enthusiasm and believe that we can make a positive difference in the lives of individuals with Intellectual Disabilities.
- u **Our Commitment**
- u PAMCO Care is committed to making sure that the individuals that we serve are motivated to accomplish their goals, enjoy life-long friendships, continue improvement and are able to make choices that will enable them to realize their greatest potential in every area of their lives. We also believe that all life holds true value and each individual is entitled to respect and dignity; therefore, we are committed to assisting adults with Intellectual Disabilities to achieve their highest level of independence and self worth by providing the appropriate level of support.
