Hello, Fans and Supporters of *On THE ROCK Ministries!*

Our Spring update is here! It is an honor to report On THE ROCK Ministries experiences God's grace and mercies daily! Since approved for 501(c)(3) status last fall, we are humbled and energized by the loving support of what God is doing through His glory.

On THE ROCK Ministries non-profit organization's goals are to share the hope of the gospel through my testimony, bring light and hope to the incarcerated through the gospel and education, and reach at-risk youth with my story to prevent incarceration.

Our ministry expenses include mailing, communication, transportation, financial costs for prisoner's Gospel tracts, education materials, and Christian books.

We also sponsor the further education of CIU-PRISON INITIATIVE graduates who have expressed interest in continuing their education to bachelor and master's degree level. We understand through further education they can be more effective ministers within prison walls, as well as give them greater success opportunities upon their release. You may be a part of this great work through prayerful support or through a financial donation that will assist us in maintaining our momentum in and beyond 2022.

The following is a list of ministry events since our previous newsletter:

Message shared at Men's Huddle Group, "Breakfast of Champions," Simpsonville First Baptist Church Upstate.

Testimony shared at Buncombe Street Methodist United Church, Greenville, S.C.

Testimony shared at East Gaffney Baptist Church, Gaffney, S.C.

Encouraging prisoners continues through correspondence, calls, and emails as *On THE ROCK Ministries* shares the love and hope of Jesus with the many locked behind prison gates.

The Covid-19 precautions continue to prevent families and volunteers into the prisons. Please pray for the doors to reopen!

We continue to provide time and loving support to JUMPSTART Ministries, a Christ-centered, returning citizen, re-entry program. Myself, and several board members of

On *THE ROCK Ministries*, are blessed to bring messages of hope on Friday evenings, to be a presence in the lives of those facing the daily struggles of rebuilding their post-incarceration lives.

On THE ROCK MINISTRIES is approved for volunteer status with REACH of Greenville County, to mentor and share my story with at-risk youth in the Juvenile Detention Center.

Daily blessings continue as I submit myself to the Lord as Corporate Chaplain of Phenix Engineered Textiles. What a joy it is to walk through the workplace to assist others in walking out life, all while seeking opportunities to talk about Jesus!

Opportunities have been limited, of late, to share God's mercy and grace in my life in churches, men's groups, and youth groups. If any of you are aware of opportunities to share my testimony, please notify On THE ROCK Ministries: ontherockjimmy.org, 864-621-1370.

Thank you for your prayers and financial support. You bless us so much! Please contact us with any questions, we want to facilitate your partnering with us.

Have an amazing Easter, He is risen!!

May the Lord bless you richly,

Jimmy MacPhee
Executive Director,
On THE ROCK Ministries
