

Licensing & Commercial Image Usage – Jeneva Woods Photography

Personal Use License

Allows usage for personal prints, personal websites, and social media sharing but not business promotion.

Commercial License

Allows businesses to use images for advertising campaigns, marketing materials, websites, social media promotion, and print advertising.

Extended or Exclusive Licensing

Additional licensing options may include exclusive usage rights, extended time periods, or national and international campaign rights.

Unauthorized Usage

Any commercial use of images without a proper license may be considered a copyright violation.
