Black Diamond Foundation February 2025 Update

Black Diamond Foundation's annual appeal generated \$103,000 in donations during December and January. Thank you for your generous support. With our grants awarded in February, your Foundation has now distributed more than \$3.5 million to Citrus County charities since our inception.

February Grants

The YMCA not only operates its facility on Norvell Bryant, but also provides before-school, after-school and summer camp programming to 670 children at 11 Citrus County elementary schools. BDF awarded \$5,000 for after-school program scholarships.

Boys and Girls Clubs of Citrus County also offers before-school, after-school and summer camp programming to hundreds of children at its Beverly Hills, Inverness and Homosassa locations. BDF awarded \$15,000 to assist with before-school scholarships.

The Path continues to be a highly effective program in helping men and women overcome addiction and then obtain employment and housing. BDF awarded \$10,000 to assist with renovations at the Beverly Hills Rescue Mission.

Financial Planning

Black Diamond Foundation is now an approved charity for those that participate in the Raymond James Donor Advised Fund.

You Make a Difference

In January, St. Vincents de Paul rehoused a Citrus County veteran into an apartment using federal grant funds. However, he had few possessions. The

BDF fund was used to obtain a mattress set and household items such as towels, washcloths, pots, pans, bedsheets, pillows and lamps for the veteran.

Thank you to all of our donors that made the above grants possible
