Marching Forward

We are excited to announce that Black Diamond Ranch (BDR) and Black Diamond Foundation (BDF) are Co-Sponsors for a Salute to Veterans Golf Outing to be held at Black Diamond Ranch on Wednesday, November 11, 2026.

Earlier this year, BDF a 501(c)(3) organization Federal ID number, 13-4211621, held the first Salute to Veterans events in February 2026. We decided that we would make this an annual event after raising \$40,000 to donate to veteran organizations in Citrus County. Eagle Buick GMC was the Title Sponsor and Harley Davidson of Crystal River and HCA-FL Black Diamond Emergency were Diamond Sponsors for these events. To make this annual event even more impactful, we have joined forces with the Citrus County Veterans Foundation (CCVF) with a kickoff for Veterans week dinner on Sunday, November 8, 2026. Both the Quarry and Ranch courses will be used at Black Diamond Ranch so we will have 36 holes to use or a maximum of 176 golfers.

The Census Bureau states that Citrus County has a concentration of veterans of approximately 12.4%, or 1 out of 8 residents of our county is a veteran. The average county in Florida has 7.3%. Given this fact, we have a lot of work to do!

Our goal this November is to donate \$80,000 to veteran organizations that provide assistance to veterans and/or surviving spouses who are vetted before receiving benefits. You should know that only 1% of the nearly \$4million raised by BDF through 2025 was for administrative expenses. In addition, only 1% of the \$500,000 raised by CCVF through 2025 was for administrative expenses.

Examples of grants provided by CCVF are:

- Past due rents to preclude eviction
- Past due mortgage payments to preclude foreclosure

- Past due property tax payments to preclude public auction
- Past due utility bills to prevent termination of service

More examples can be found in the CCVF Purpose document as part of this package.

These fund raising events are only made possible by the generosity of our sponsors and Black Diamond Ranch.

Thank you for your consideration in becoming a Sponsor for the Salute to Veterans events in November, 2026!
