

# THANK YOU

20 Years and Still Going

## Black Diamond Foundation February 2022 Update

### **Annual Giving Campaign**

We are off to a great start with our annual giving campaign. Thank you for your generous donations.

### **Copperhead Charities (Birdies for Charity)**

We have received notice that Copperhead Charities will no longer be accepting Black Diamond Foundation (or any other charity) contributions. For those that have made out checks to Copperhead Charities, Copperhead Charities or Black Diamond Foundation will be returning the checks. Going forward, we will only be able to accept checks made out to Black Diamond Foundation. We are sorry for the extra work this has caused.

### **February Meeting**

The Foundation awarded a \$10,000 grant to the **Mission United** "Got Your Back" fund. This fund is used to help younger Citrus County veterans reacclimate to civilian life and older veterans to deal with financial hardships. \$8,000 was awarded to **Take Stock in Children** to assist in the purchase of college scholarships for low-income high-achieving Citrus County students.

### **Foundation Board Change**

Karen Evans has stepped down from the Board after many years of service. Karen's compassion and service were greatly appreciated by her fellow board members and truly made a difference in Citrus County.
