## Black Diamond Foundation January Update

### **Awards made to two Citrus County charities at December Meeting**

**Daystar** was awarded \$10K for capital improvements to their facilities in Crystal River. The proposed capital improvements will provide a safer environment for their clients, customers and volunteers. Daystar provides food, clothing and financial assistance primarily for housing and utilities as well as other critical aid for over 350 households monthly.

**The Pregnancy and Family Life Center** was awarded \$5K to fund their food pantry. The organization is located in Inverness and serves all of Citrus County. They help the most vulnerable and at risk population: pregnant mothers, babies, children and struggling families. The majority of their clients are either unemployed or struggle to survive on a low or single income. Many clients come from dysfunctional or violent relationships. They help by providing basic needs—food, diapers and clothing. This helps ease the immediate worry and financial burden for families with no or limited income. Once the anxiety is resolved they address other needs through individual and family support services.

### **Pro-Am Dinner: Sunday, Jan. 19th**

### **Pro-Am Tournament: Monday, Jan. 20th**

Sign up is open for both the Pro-Am dinner and tournament. The tournament will be a shamle format on the Quarry course. Each team will consist of three participants and a golf professional. This event is the major fundraiser

for the foundation and is second only to direct member donations in making sure we are able to address the charitable requests that we receive. The tournament was returned to its traditional January dates to better accommodate guests and visiting professionals. Brian Painter is offering a second round of golf on the Tuesday following the tournament for member guests. Please support our efforts to represent the Black Diamond community in helping our less fortunate neighbors.

**Four Hole-In-One Prizes (for amateurs only)**

- Hole # 4 Trip to PGA Championship (San Francisco)
- Hole # 8 Club Car Onward Golf Cart
- Hole # 13 Trip to the Masters
- Hole # 17 Trip to the (British) Open

Let's start the new decade off with a bang
