Black Diamond Foundation May 2023 Update

Grants

The Foundation finished its spring schedule on May 1st. The Citrus County Children's Advocacy Center (a.k.a. Jassie's Place) was a first time presenter. For the past 17 years, Jessie's Place has served Citrus County's abused, neglected and traumatized children through preventive education, coordinated intake and ongoing therapy. The Black Diamond Foundation awarded \$22,000 to assist in the expense of their abuse prevention programs reaching 4,000 4th, 6th, 7th and 8th graders in Citrus County.

Road Trip

In April, the board members visited the Community Food Bank in Homosassa and toured the two warehouses on site. It is quite an operation receiving, sorting and distributing 20,000 pounds of food per day to 50 Citrus County food pantries.

Snowbirds

For those heading north for the summer, travel safely and we'll see you next fall.
