Returning Members

Do not log in. You will need to click on “Registrations” as your first step and then choose your Centre. You will be asked to enter your username and password later in the process.

If you don't know your username, try your email address, otherwise contact your Centre Registrar or the LAWA office, who will be able to assist you.

If you have forgotten your password, click “Forgot your Password” and a link will be emailed to your nominated email address.

- **Please do not create a new profile** as your previous information and results will not be linked up and/or your registration may not proceed.

If you have more questions or need assistance, please contact our club registrar on flacregistrar@gmail.com

Once you start competing at your Centre, all your results will also be in your ResultsHQ profile, You will also see invitations to nominate for various events throughout the season, so remember to keep your username and password and check back each week.
